DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Place dog on table or bench. Thoroughly spray all over body against lay of the coat. Avoid spraying into the eyes. The hair should be slightly damp down to skin level. Each application remains active in the coat killing fleas and protecting against reinfestation for up to one month after spraying. Repeat treatment as necessary. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment of pet areas. Free bitches from fleas before they bear pups.

STORAGE AND DISPOSAL

Store in original container in cool, locked storage area. Do not reuse container. Rinse thoroughly, wrap in newspaper before discarding in trash.
