PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: May be fatal if swallowed. Causes eye irritation. Do not get in eyes. Avoid contact with skin and clothing. May cause allergic skin reactions. Wear chemically resistant gloves when using this product to bathe dogs. Excessive or prolonged contact of this dip solution with the skin should be avoided. Wash thoroughly after using and before eating or smoking. Contaminated utensils should not be used for any other purpose after use with insecticide. Do not treat sick or debilitated animals or animals under 4 months of age. Do not treat nursing animals.

Environmental Hazards

This product is toxic to fish, birds and wildlife. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

Statement of Practical Treatment

IF SWALLOWED: Call a physician or Poison Control Center immediately. Do not induce vomiting because of aspiration hazard. Get medical attention at once.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash with soap and water, remove contaminated clothing.

NOTE TO PHYSICIAN: Atropine Sulfate by injection is antidotal only if signs of cholinesterase inhibition are present.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Use on Dogs to Kill Fleas, Ticks and Mange Mites: Dilute two ounces of Dog Dip to 1 gallon of water (8 oz. to 4 gallons) and mix well. Dip or sponge animals until the hair coat is thoroughly wet to the skin. Do not rinse. Allow solution to dry on animals. Do not repeat treatment more often than once every 4 weeks. Do not use this product on animals simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides or chemicals. Controls Ticks for 21 days and Fleas for 28 days. Do not use on Cats.

STORAGE AND DISPOSAL

Storage: Store in original container in cool, locked storage area.

Disposal: Do not reuse container. Rinse thoroughly and wrap in newspaper before discarding in trash.
