<p><b>NOTE:</b> Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p> <p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> <li>1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.</li> <li>2. Make the labeling changes listed below before you release the product for shipment:             <ol style="list-style-type: none"> <li>a. Add the phrase "EPA Registration No. 28293-76."</li> <li>b. Update the Storage and Disposal statements as per PR Notice 83-3.</li> <li>c. Remove the name Stirofos from the active ingredient statement. This is not an EPA approved common name for this active.</li> <li>d. Submit an updated Confidential Statement of Formula indicating that you are repackaging product Registration No. 50534-81.</li> <li>e. Delete lice.</li> <li>f. Revise Precautionary Statements to "Harmful if swallowed. Do not get in eyes. Wear rubber gloves when applying. Wash thoroughly with soap and water after handling." Do not use on kittens or puppies less than four weeks of age.</li> </ol> </li> </ol> <p><input type="checkbox"/> ATTACHMENT IS APPLICABLE</p>				
SIGNATURE OF APPROVING OFFICIAL		DATE		

- g. Under Directions for Use add "To treat pets for ticks and fleas, add contents of packet to 1 gallon of water and mix thoroughly. Allow solution to dry on the pet for maximum residual effect. Repeat treatment as necessary but not more often than weekly. Do not store or reuse any remaining portion of the mixed solution."
- h. ~~Remove the words "For Use By or Under the Supervision of a Veterinarian."~~  
~~This product is for general use.~~

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin and eyes. Wash hands with soap and water after using or handling. Do not use on kittens or puppies less than four weeks of age. Keep out of reach of children.

NOTE TO PHYSICIAN: STIROFOS is a moderate reversible cholinesterase inhibitor. Atropine Sulfate is antidotal.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Induce vomiting with finger to back of throat. Call a Physician or Poison Control Center at once.  
IF ON SKIN: Wash with soap and water.  
IF IN EYES: Flush with plenty of water. If irritation persists, see a Physician.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Mix the contents of this packet with one gallon of water. Mix thoroughly to insure uniform suspension. Apply with a sponge onto the animals' coat. Thoroughly wet animal's coat.

FOR SPONGE TREATMENT: One packet and one gallon of water will treat most animals.

Repeat treatment as required but not more than once weekly.

NOTE: A light color residue may sometimes be seen on dark colored animals. Should this be objectionable, it may be removed by brushing the animal lightly after the coat is dry.

DISPOSAL

Do not reuse empty packet. Place in trash collection.
