Dear. Mr. Santerre:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

Refer to the Standard concerning the declaration of Resmethrin as an active ingredient.

You should expand your practical treatment to include: "IF SWALLOWED, DO NOT INDUCE VOMITING UNLESS DIRECTED BY A PHYSICIAN OR POISON CONTROL CENTER. VOMITING MAY CAUSE ASPIRATION PNEUMONIA".
