

United States Environmental Protection Agency

Ms. Barbara J. Varner, Director Regulatory Affairs
Unicorn Laboratories
12385 Automobile Blvd.
Clearwater, FL 33762

OCT 3 2003

Subject: Amendment to revise First Aid statements per Pr Notice 2001-1 and Disposal statements per PR Notice 2001-6.

Product Name: Unicorn Wasp & Hornet Killer

Registration Number: 28293-100

Date of resubmission: July 16, 2003

Dear Ms. Varner.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

- 1. Per PR Notice 2001-1 for those products containing > 10% petroleum distillates, a separate "Note to Physician" section must added to the bottom of the FIRST AID box. within the box should be the following statement as outlined on page 7 of PR Notice 2001-1.

NOTE TO PHYSICIAN
Contains petroleum distillate - vomiting may cause aspiration pneumonia.

If you have any questions, you may contact Richard J. Gebken, at (703) 305-6701.

Sincerely,

Linda Arrington
Acting Product Manager 10
Insecticide Branch

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing vapors. Avoid contact with the eyes, skin or clothing. In case of contact, immediately wash with soap and water. Avoid contamination of food and feedstuff.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

Environmental Hazards

THIS PESTICIDE IS HIGHLY TOXIC TO FISH. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Drift and runoff from treated sites may be hazardous to fish in adjacent waters.

Physical and Chemical Hazards

Avoid excessive wetting of plastic, vinyl, asphalt tile floor surfaces or asphalt shingles. Do not apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained.

FLAMMABLE. Contents under pressure. Do not use near fire, heated surfaces, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

Dielectric Strength is 47 kv.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

OUTDOORS: Application should be made late in the evening when insects are at rest. Point spout toward nest, crevice or hole where insects are known to exist. Hold container at arms length and spray liberally into hiding places, contacting as many insects as possible. Repeat as necessary. Always spray in direction of wind (with wind at your back).

INDOORS: Aim spray directly at nests. Do not spray areas where food and foodstuffs are exposed or handled. Do not remain in treated areas. Ventilate the areas after treatment is completed.

Do not spray areas where food and foodstuffs are exposed or handled except as directed under use in USDA Establishments.

FOR USE IN ALL AREAS OF USDA ESTABLISHMENTS: Before using this pesticide compound, exposed food products and packaging materials must be removed from the room or protected. After using this compound, equipment and utensils must be washed with an effective cleaning compound and thoroughly rinsed with potable water before operations are resumed. Before food product may be placed in the area where the material is being used, the area should be sufficiently free of odor to prevent product contamination.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in cool area away from heat or open flame.

DISPOSAL: Do Not Puncture or Incinerate! **If empty** – Place in trash or offer for recycling if available. **If partly filled** – Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
