PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Causes irreversible eye damage. Do not get in eyes. Harmful if swallowed, inhaled or absorbed through skin. May cause allergic skin reactions. Avoid contact with skin and clothing. Remove and separately launder clothing before reuse. Wash thoroughly with soap and water after using or handling.

Notice to Physician: Carbaryl is a moderate reversible cholinesterase inhibitor. Atropine Sulfate is antidotal.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush with plenty of water. Call a physician.

IF SWALLOWED: Drink promptly a large quantity of milk, egg whites, gelatine solutions, or if there are none available, drink large quantities of water. Avoid access.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

IF ON SKIN: Wash with soap and water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE PRECAUTIONS

Do not use on cats or puppies within four weeks of age. Do not use on pregnant dogs.

Wear goggles or face shield when handling. Remove contaminated clothing and separately launder clothing before reuse. Wear chemical resistant gloves when using indoors or outdoors. When using wear long pants and long-sleeved shirt. Wash non-disposable gloves thoroughly with soap and water before removing.

Mix the contents of this packet with one gallon of water. Mix thoroughly to insure uniform suspension. Apply as a dip or sponge on to the animal's coat. Thoroughly wet animal's coat.

For Sponge Treatment: One packet and one gallon of water will treat most animals.

For Dipping: Small Dogs 2 packet and 2 gallons of water
Medium Dogs 5 packets and 5 gallons of water
Large Dogs 20 packets and 20 gallons of water

Repeat treatment as required but not more than once weekly.

Note: A light color residue may sometimes be seen on dark colored animals. Should this be objectionable, it may be removed by brushing the animal lightly after the coat is dry.

STORAGE AND DISPOSAL

Store in original container in cool, locked storage area.

Do not reuse bag.

Dispose in trash or by incineration if allowed by state and local authorities.
