PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Keep out of Reach of Children. Harmful if swallowed. Avoid contact with eyes and lips.

Physical or Chemical Hazards

FLAMMABLE! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling.

Read all directions before using this product.

- Do not spray in enclosed areas.
- Do not apply over cuts, wounds, or irritated skin.
- Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face.
- Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.
- After returning indoors, wash treated skin with soap and water. Wash treated clothing.
- Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

SKIN APPLICATION FOR MOSQUITOES, BITING FLIES, GNATS AND FLEAS: Hold can 4 to 6 inches from skin of arms or legs while applying with a slow sweeping motion until surface is slightly wet. Rub with hand to insure even distribution. To apply to face and neck, spray in palm of hand in short bursts and spread on the skin. Apply with caution around eyes and mouth. Do not spray directly on face.

CLOTHING TREATMENT FOR BITING INSECTS, CHIGGERS, FLEAS AND TICKS: Usually 3 to 4 ounces per suit is required to give protection. Avoid breathing of mist. For protection against mosquitoes and biting flies, pay special attention to those parts of the suit where biting through clothes occurs - shoulders, elbows, seat of trousers, front of trousers, front of thighs, knees, and socks, shoe tops and fly, trouser leg cuffs, trouser fly, waistband, the front fly and cuff fly of the shirt.

STORAGE AND DISPOSAL

Storage: Store in original container in cool, locked storage area away from heat or open flame.

Disposal: Replace cap and discard containers in trash. Do not incinerate or puncture. Securely wrap original container in several layers of newspaper and discard in trash.
