	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Unicorn Now Flea and Tick Spray	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Unicorn Laboratories
 P.O. Box 90014
 Houston, TX 77090

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. (c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 28293-117."
 - b. Before releasing this product for sale submit a description of the manufacturing process and certification of limits for each of the active ingredients in this product.
 - c. Under "Precautionary Statements, Hazards to Humans and Domestic Animals" delete "Discard bottle when empty" or give instructions to wrap empty containers and put in trash collection.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL:  DATE: 9-25-85

2 of 4

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or inhaled. Avoid skin contact. Avoid inhaling. Avoid contamination of foodstuffs. Wash hands after applying. Discard bottle when empty. Do not exceed recommended dose. Do not spray directly on nursing kittens or puppies. Consult veterinarian at first sign of adverse reaction.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE: Flammable. Keep away from heat or open flame.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED. Do not induce vomiting. CALL A PHYSICIAN OR POISON CONTROL CENTER IMMEDIATELY.
IF IN EYES: Flush with plenty of water. See a physician immediately.
IF ON SKIN: Wash with soap and water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Kills and Repels: Ticks, Fleas, Lice, Stable Flies, Horn Flies, Houseflies, Face Flies, Horse Flies, Deer Flies, Bot Flies, Mosquitoes and Gnats.

DOGS AND CATS: Direct the spray over the animal until the entire coat is slightly damp. On a heavily coated animal, ruffle the coat and spray against the lay of the hair. For best results in controlling ticks, spray directly on the tick. Thoroughly spray interior of kennel or other sleeping quarters. Repeat treatment as necessary. Do not spray structural surfaces where spotting, staining, or discoloration may be objectionable.

KITTENS AND PUPPIES. Treat same as dogs and cats, except for nursing kittens and puppies. Wrap the animal in a towel which has been sprayed lightly. Leave the nose and mouth exposed for normal breathing. Keep the animal wrapped for 5 to 10 minutes. Fleas may then be removed from the coat by picking or combing. Repeat as necessary.

FOR HORSES AND PONIES: Remove excess dirt and dust by brushing coat. Apply spray directly to horse's coat giving particular attention to legs, shoulders, flanks, neck, and topline. To treat face, dampen a cloth with spray and rub on face and head, being careful to avoid eyes. Repeat as necessary.

STORAGE AND DISPOSAL

Flammable. Keep away from heat or open flame. Do not reuse empty container. Wrap container and put in trash collection.
