EPA EST. NO. 28293-FL-1

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists. For external use on animals only. Do not use on goats or horses used for meat or milking.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Thoroughly wet the entire animal with warm water. Apply just enough shampoo to produce a lather.

To make a more economical product, dilute 1 part concentrate with 2 parts water and apply as indicated below.

For best effects on Fleas, Lice, Ticks and Keds, allow lather to remain on animals for approximately five minutes before rinsing.

Rinse thoroughly with warm water. May be repeated once or twice weekly.

For use on Dogs, Cats, Horses and Goats to Control Fleas, Lice, Ticks and Keds: Imparts a clean lustrous shine and conditions the hair. Promotes manageability of hair coat for good grooming.

STORAGE AND DISPOSAL

STORAGE: Store in original container in cool, locked storage area.

DISPOSAL: Do not reuse empty container. Rinse thoroughly before discarding in trash. Securely wrap original container in several layers of newspaper and discard in trash.
