Mr. Barry Santerre
 Unicorn Laboratories
 1000 118th Avenue North
 St. Petersburg, FL 33716

Dear Mr. Santerre,

Subject: Amendment - Revised Label
 Unicorn 14-Day Flea & Tick Spray
 EPA Registration Number 28293-147
 Your Submission Dated October 16, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

Delete the phrase "natural" from "Contains Natural Aloe Vera and Coconut oil." Statements relative to the composition indirectly implying safety of the product are unacceptable. Alternatively, you may wish to identify these ingredients as grooming aids.

Submit five copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

George T. LaRocca
 Product Manager (13)
 Insecticide-Rodenticide Branch
 Registration Division (H7505C)

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under three (3) months of age. Do not use this or any other pesticide on sick, old or debilitated pets.

Physical or Chemical Hazard

Do not use or store near heat or open flames.

Statement of Practical Treatment

IF SWALLOWED: Drink one to two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

On dogs this product will kill fleas up to 14 days and ticks up to 4 days. On cats this product will kill fleas up to 14 days and ticks up to 9 days.

Use protective gloves (mitts) to prevent contact with hands. Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray, so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

For cats apply at a rate of 1 second per pound of body weight. For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

STORAGE: Store in cool area away from heat and open flame.

DISPOSAL: Do not reuse empty container. Wrap original container in several layers of newspaper and discard in trash.
