<p>Have the product container or label with you when calling a poison control center or doctor, or going for treatment.</p>	

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

On dogs this product kills fleas up to 14 days and ticks up to 4 days. On cats this product kills fleas up to 14 days and ticks up to 9 days.

Use protective gloves (mitts) to prevent contact with hands. Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in the face, eyes or on genitalia. Repeat every 14 days as needed.

For cats apply at a rate of 1 second per pound of body weight. For dogs apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

STORAGE: Store in cool area away from heat and open flame.

DISPOSAL: Do Not Puncture or Incinerate! **If empty** – Place in trash or offer for recycling if available. **If partly filled** – Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
