Barry J. Santerre
Vice President
Unicorn Laboratories
13535 Feather Sound Drive
Suite 400
Clearwater, Florida 34622

Dear Mr. Santerre:

Subject: Registration Amendment
Unicorn Flea and Tick Shampoo
EPA Registration No. 28293-172
Submission Dated October 31, 1995

The amendment referenced above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you revise the product labeling in the manner described in this letter.

1. Create a new labeling section that is to be inserted directly under the "Precautionary Statements" and before the "Directions for Use" entitled "Statement of Practical Treatment". It should read:

"If Swallowed: Call a physician or poison control center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists. If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists."

2. Revise the "Precautionary Statements - Hazards to Humans and Domestic Animals" section so that it reads:

"Caution. Harmful if swallowed. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. For external use on animals only. Not to be used on animals intended for food."

3. Note that the statement, "Pyrenone - Registered Trademark of Fairfield American Corporation" should be updated. Fairfield American Corporation no longer exists. The registrant for the products in their line is now AgrEvo Environmental Health. Please check with staff at AgrEvo Environmental Health and obtain the appropriate language for referencing this information.

A stamped copy of the product label is enclosed for your records.

Sincerely,

RPK

Richard P. Keigwin, Jr.
Product Manager 10
Insecticide-Rodenticide Branch

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists. For external use on animals only. Not to be used on animals intended for food.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To shampoo and kill Fleas and Ticks, wet the pet's coat with warm water. Starting at the head, work shampoo thoroughly into the hair. Allow the lather to penetrate the fur for five minutes before rinsing. Dry with a towel. The pet will have a clear lustrous coat, free of fleas and ticks.

Pet Bedding and quarters should be treated simultaneously with an approved product.

STORAGE AND DISPOSAL

Storage: Store in original container in cool, locked storage area.

Disposal: Do not reuse bottle. Rinse thoroughly, wrap in newspaper before discarding in trash.
