

## OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

WASHINGTON, D.C. 20460

September 25, 2025

James McFadden, Ph.D.  
Director, Regulatory Affairs  
Phaeton Corporation  
1501 East Woodfield Road, Suite 200 West  
Schaumburg, Illinois 60173

Subject: Label Amendment - Registration Review Mitigation for Tetramethrin, Phenothrin and Pyriproxyfen  
Product Name: Unicorn IGR Pressurized Spray  
EPA Registration Number: 28293-215  
Case Number: 476531 and 474776  
Application Dates: February 19, 2021, and September 24, 2025

Dear James McFadden:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Pyriproxyfen, Tetramethrin, and Phenothrin Interim Decisions, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Tracy Jackson by phone at 202-566-2268, or via email at [jackson.tracy@epa.gov](mailto:jackson.tracy@epa.gov).

Sincerely,

Maryam K. Muhammad-Perch, Team Lead  
Risk Management and Implementation Branch 4  
Pesticide Re-Evaluation Division  
Office of Pesticide Programs

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION** Harmful if absorbed through skin Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

### Environmental Hazards

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates Do not apply directly to water Do not contaminate water when disposing of equipment, washwater or rinsate. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas See Directions for Use for additional precautions and requirements This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the area

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

**Use Restrictions** For residential use only Do not apply this product in a way that will contact adults, children or pets, either directly or through drift Do not enter and do not allow other adults, children or pets to enter the treated area until sprays have dried Do not allow people or pets to enter treated areas until vapors, mists and aerosols have dispersed, and the treated area has been thoroughly ventilated Wait two (2) hours after application, then open windows, vents and doors for two hours If an odor is still detected, additional ventilation is required.

Remove pets, birds and cover fish aquariums and ornamental fish ponds before spraying, and turn aquariums systems off.

In the home, do not apply when food is present, cover all food processing surfaces and utensils during treatment or thoroughly wash utensils before use. Cover exposed food and remove utensils in serving areas.

Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur Do not allow the product to enter any drain during or after application.

Do not allow to enter indoor or outdoor drains.

No permita la entrada a desagües internos o externos.

Follow proper disposal procedures on this label.

Siga las indicaciones del etiquetado para el desecho apropiado del producto.

**FOR INDOOR USE ONLY** This spray kills fleas and ticks It contains a unique combination of ingredients that kills both adult and preadult fleas Even kills fleas before they grow up to bite NYLAR, a unique ingredient in this flea spray, continues to kill fleas for 120 days (4 months) by preventing their development into the adult biting stage It reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding, floor cracks Protects your home from reinfestation and fleas buildup, and your pets and family from bites One treatment with this spray gives continuous flea protection for 120 days Leaves no objectionable odor or sticky mess and, used as directed, does not stain furnishings

**FLEAS & TICKS SHAKE WELL** Hold can upright 2 or 3 feet from surfaces to be treated [Turn container upside down and point valve toward surface to be sprayed ] Be sure to apply uniformly using a sweeping motion to carpets, rugs, drapes and all surfaces of upholstered furniture Be sure to treat pet bedding as this is a primary hiding place for fleas No need to remove pet bedding after treatment DO NOT TREAT PETS Use a registered flea control product on your pets in conjunction with this treatment Avoid wetting furniture and carpeting A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks.

#### **STORAGE AND DISPOSAL**

**Pesticide Storage** Store in a cool, dry area place inaccessible to children and pets

**Pesticide Disposal & Container Handling** Do not puncture or incinerate container. Nonrefillable container Do not reuse or refill this container. **If empty** — Place in trash or offer for recycling if available. **If partially filled** - Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency for local disposal options.
