 Registration Division (H7505C)
 401 "M" St., S.W.
 Washington, D.C. 20460

EPA Reg. Number: 28293-234	Date of Issuance: JUL 22 1993
-------------------------------	----------------------------------

Terms of Issuance:
Conditional

Name of Pesticide Product:
Unicorn Liquid Edger

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Unicorn Laboratories
 1000 118th Avenue North
 St. Petersburg, FL 33716

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his own motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration No. to read, "EPA Reg. No. 28293-234."
 - b. Add "Total.....100.00%" under **INERT INGREDIENTS**.
 - c. Under Environmental Hazards, modify the statements as follows: "Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark." In addition, change the third sentence to read "Do not contaminate water when disposing of equipment washwaters."
 - d. Change the instructions for container disposal to read "Rinse container thoroughly before discarding in trash."
 - e. Place the **STORAGE AND DISPOSAL** section under the **DIRECTIONS FOR USE** section.
3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes, skin, or clothing. Avoid breathing spray mist. Wash hands after using. Keep children and domestic animals off treated areas until this material has been washed into the soil.

Statement of Practical Treatment

If taken internally, induce vomiting by touching back of throat with finger. Call physician at once. Do not induce vomiting or give anything by mouth to an unconscious person.

Environmental Hazards

Do not apply directly to water, or to areas where surface water is present or conditions favor drift away from target area. Do not apply when weather to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate domestic or irrigation waters.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Do not store near other pesticides or seeds.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding trash.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

KILLS BERMUDAGRASS, JOHNSONGRASS, QUACKGRASS, and OTHER DEEP ROOTED PERENNIALS. ALSO, KILLS BROME, FOXTAIL, WILD OATS, BURR CLOVER, MALLOW, and MORNING GLORY.

INFORMATIVE: This product is recommended for the control of a wide variety of unwanted vegetation around buildings, along sidewalks and driveways, and under trees and ornamentals. This product may also be used for complete lawn renovation. It is deactivated on contact with the soil.

SAFETY
in Directions for
USE section

where surface water is present or to intertidal areas below the mean high water mark

INSTRUCTIONS: This product is ready-to-use. One gallon will cover up to 250 square feet. Apply the spray solution with a fluid pump or a pressure-sprayer using a nozzle or a nozzle setting that gives a fine spray. Liquid Edger may be applied directly from the container. First remove cap that covers applicator head. Be sure that applicator head is firmly fastened in place. Create spray pattern by turning container over. Thoroughly cover unwanted vegetation with product.

For spot treatment, hold container just a few inches above undesired vegetation.

GENERAL WEED CONTROL: Spray unwanted vegetation thoroughly to the point of runoff. Wilting will appear in 1 to 3 days and thorough browning in about 5 to 7 days. Repeat applications may be necessary, particularly for hard-to-kill perennials. The best kill is obtained on young plants during hot, sunny weather.

) LAWN RENOVATION: The area to be treated should be mowed before treatment. Bermudagrass and other deep-rooted perennials or uncovered foliage may require a second treatment. Reapply 5 days later if green areas remain. When foliage is all brown, matted areas should be raked and bare spots scarified. About 5 days after last treatment, water thoroughly and then seed at rate recommended for new lawns. Seed must be raked into soil. Keep seeded areas well watered. Do not apply directly or allow spray to come into direct contact with foliage, green bark, grafted unions, or scuffed, damaged or broken bark when spraying around trees or ornamentals.

LIMITED WARRANTY AND DISCLAIMER

) The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes, hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law. The terms of the Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the Seller is authorized to vary or exceed the terms of the Limited Warranty and Disclaimer in any manner.
