b. Since this product is for use in the home only delete "Do not use in edible product areas of food processing plants, restaurants, or other areas where food or feed is commercially prepared or processed. Do not use in serving areas while food is exposed." and revise front panel statements to read "For Use in the Home Only" or "For Indoor Residential Use Only".

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED  
with COMMENTS  
in EPA Letter Dated

EPA EST. NO.

FEB 9 1995  
Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the product  
registered under EPA Reg. No.  
28293-2A6

**PRECAUTIONARY STATEMENT**  
**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing vapor and contact with eyes, skin and clothing. Wash thoroughly after handling and before smoking or eating. May cause contact sensitization following repeated contact with the skin of susceptible individuals. Avoid repeated contact with skin. If sensitization reactions result, consult a physician. Remove pets from area and cover fish bowls before spraying. Keep children and pets off treated areas until the areas are dry.

**Statement of Practical Treatment**

**IF SWALLOWED:** Call a physician or Poison Control Center immediately. Give milk or water. DO NOT INDUCE VOMITING unless no other treatment is available, and then preferably under medical supervision. If it is necessary to induce vomiting, give victim one or two glasses of water and insert finger in back of throat. Do not induce vomiting or give anything by mouth if person is unconscious or convulsing.

**IF INHALED:** Remove victim to fresh air and apply artificial respiration if indicated.

**IF ON SKIN:** Wash promptly with soap and water. Rinse thoroughly.

**IF IN EYES:** Rinse eyes with plenty of water. Get medical attention if irritation develops or persists.

**Note to Physician:** This product is an organophosphate insecticide. If signs of cholinesterase inhibition are present, gastric lavage may be indicated if product was taken internally. Atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered, but only in conjunction with atropine. The solvent in this product may present an aspiration hazard. Gastric lavage may be indicated if product was taken internally.

**STORAGE AND DISPOSAL**

**STORAGE:** Keep from freezing. Store above 32°F. Store in an area inaccessible to children and pets.

**DISPOSAL:** Do not reuse empty container. Rinse container thoroughly, then wrap securely in several layers of newspaper. Discard in trash collection.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes.

## DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY

**IMPORTANT:** Read the entire **Directions for Use** and the **Conditions of Sale and Warranty** before using this product. If terms are not acceptable, return the unopened product container at once.

### **Conditions of Sale and Warranty:**

The **Directions for Use** of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Manufacturer or the Seller. All such risks shall be assumed by the Buyer.

The Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use** subject to the inherent risks referred to above. The Manufacturer makes no other express or implied warranty of Fitness or Merchantability or any other express or implied warranty. In no case shall the Manufacturer or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. The Manufacturer and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty**, which may be varied only by agreement in writing signed by a duly authorized representative of Unicorn Laboratories.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### General Information

This is a ready-to-use product in a ready to use container. No mixing is required. Hold the container upright and lightly spray surfaces until wet according to the directions for use. A slight film will appear upon drying, leaving residual killing power. This product may be used inside the home.

### INDOOR USE

#### **Controls**

Cockroaches (waterbugs), ants, firebrats, silverfish, brown dog ticks, springtails, spiders, crickets, earwigs, sowbugs (pillbugs), carpet beetles.

**Precautions:** (1) Do not use this product indoors as an overall surface spray or as a space spray; take care not to introduce this product into the air during application. (2) Use only in well-

676

ventilated areas. (3) Do not apply where children are likely to frequently contact treated surfaces. (4) Remove or cover fish bowls and remove pets before application. (5) Do not treat pets or plants with this product. (6) Do not allow children or pets in treated areas until spray has dried. (7) If clothing is sprayed during application, remove clothing immediately after spraying and launder before wearing again. (8) Avoid excessive wetting of carpets or floor coverings and unfinished materials. (9) Care should be taken to avoid spotting of walls, wall coverings, and fabrics. (10) Do not apply directly to upholstery, furniture, leather, draperies, or stained surfaces because damage may occur. (11) Do not apply to areas, surfaces or utensils which will contact food or feed. (12) Exposed food should be covered or removed during application. (13) All food processing surfaces and utensils should be covered during application or thoroughly washed with soap and water before reuse. (14) Do not use in edible product areas of food processing plants, restaurants, or other areas where food or feed is commercially prepared or processed. Do not use in serving areas while food is exposed. (15) Do not use this product in conduits, motor housings or electrical switch boxes.

#### **Application**

Cockroaches (waterbugs), Ants, Firebrats, Silverfish, Sowbugs (Pillbugs), Springtails, Spiders, Crickets, Earwigs: As a supplement to good housekeeping, spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks and stoves, as well as ant trails, and other localized areas where insects tend to hide. Discard infested food packages, but do not spray inside cabinets where food is stored. Spray window and door frames where ants enter. Treat difficult to service locations such as voids around water pipes, cracks, and crevices along baseboard moldings. Repeat as necessary.

**Carpet beetles:** Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, and infested areas of shelving in closets. Repeat as necessary.

**Brown dog ticks, Fleas\*:** Spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of pets, and localized areas of floors and floor coverings. Repeat as necessary. Fresh bedding should be placed in animal quarters after treatment. Do not treat animals with this product or use as an overall surface spray.

**\*Controls adult fleas on areas treated.**

**Spiders:** Apply spray around windows, doors, and along baseboards. Make spot applications to other areas over which these pest may crawl.

**Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in areas where food is exposed.**
