 <p>U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460</p> <p>NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration</p> <p>(under FIFRA, as amended)</p>	EPA Reg. Number: 28293-293	Date of Issuance: MAR 9 1998
	Term of Issuance: Conditional	
	Name of Pesticide Product: Unicorn 30 Day Flea & Tick Treatment	
Name and Address of Registrant (include ZIP Code): Unicorn Laboratories 13535 Feather Sound Drive, #400 Clearwater, FL 34622-5587		
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.</p> <p>Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:</p> <ol style="list-style-type: none"> 1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Make the following label changes: <ol style="list-style-type: none"> A. Revise the EPA Registration Number to read, "EPA Reg. No. 28293-293. B. Since the package may contain more than one unit of the product, each of the tube units must contain minimal labeling statements identifying the name of the product, the active ingredients, a "Keep Out of Reach of Children" statement, referral statement and the EPA Reg. No. You must submit the finished labeling for the tube units to the Agency. C. Add the following to Environmental Hazards: "Do not add directly to water. Do not contaminate water when disposing of product or packaging." 		
Signature of Approving Official:		Date:

- C. The directions for dogs and puppies over 30 lbs. are not clear. Is it your intent to apply half of a dosage on the animal's shoulder and the other half near the base of the tail (as with the Hartz Mountain similar product)? If so, revise your directions as follows: "...squeeze out the contents of the tube until the contents level reaches the 1/2 mark on the tube." If these directions do not agree with your product's design you must propose your own labeling and resubmit it for our approval.

- 4. Submit two copies of the revised final printed label for the record. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager (13)

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: *Humans* - Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. *Animals* - DO NOT USE ON CATS. Do not use on puppies less than six months old. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Environmental Hazards:

This product is toxic to fish.

First Aid

IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

As with all flea and tick products, this product is most effective when used as part of a total program aimed at reducing fleas and ticks in your pet's environment. Be sure to treat the animal's bedding and the areas they frequent with products registered for these uses.

DIRECTIONS FOR USE

(To be used on 1cc packaging for Dogs & Puppies 30 lbs and under)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product contains three monthly dosages, each 1 cc, for Dogs and Puppies 30 pounds and under.

DO NOT USE ON CATS.

- Remove applicator tube from package and hold in an upright position.
- Press cap down to break the seal of tube.
- Remove cap carefully. Position the tip of the tube on the dog's back between the shoulder blades and squeeze out the contents of the tube.
- Reapply every 30 days.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Store in a cool, dry place. Do not reuse empty tube. Wrap and discard in trash.

DIRECTIONS FOR USE
(To be used on 2cc packaging for Dogs & Puppies over 30 lbs.)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product contains three monthly dosages, each 2 cc,
for Dogs and Puppies over 30 pounds.

DO NOT USE ON CATS.

- Remove applicator tube from package and hold in an upright position.
- Press cap down to break the seal of tube.
- Remove cap carefully. Position the tip of the tube on the dog's back between the shoulder blades and squeeze out the contents of the tube.
- Invert the applicator tube upright and go to the dog's tail. Position the tip of the tube at the base of the tail and apply the remaining contents of the tube to the base of the dog's tail.
- Reapply every 30 days.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Store in a cool, dry place. Do not reuse empty tube. Wrap and discard in trash.
