Contact: Ms. Barbara J. Varner, Director of Regulatory Affairs

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(3)(b)(i) provided that you:

1. Replace your EPA File Symbol with "EPA Registration No. 28293-295" and
2. Submit one (1) copy of final printed labeling to us before you ship product.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Statement of Practical Treatment

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if symptoms persist.
IF IN EYES: Flush with plenty of water. Call a physician if irritation persists.

Physical and Chemical Hazards

FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:

Do not use in commercial food processing or preparation areas. In the home, cover all exposed food, food processing surfaces and utensils during treatment. Do not spray food or feed crops.

For both indoor and outdoor situations, use training whenever possible, including positive (praise) and negative (sharply spoken word backed up with disciplinary action) reinforcement.

This product repels dogs and cats for up to 24 hours when applied daily. Keeps pets away from furniture, carpet, trees, shrubs, garbage cans/bags, and other "forbidden areas".

INDOOR USE:

Use indoors to break your pet of undesirable habits such as sleeping on furniture and rugs or to keep out of forbidden areas. Always use with consistent training. Praise your pet for good behavior and scold for bad behavior.

Pretreatment Directions: Before spraying large areas of rugs, fabrics or plastics, test the effect of this product by treating a small, inconspicuous area. This product may stain or soften some fabrics or plastics. To avoid possible damage, spray a piece of cloth lightly and place it on the object or area to be protected.

Application Directions: Spray the object lightly with this product until slightly moistened.

Retreatment Directions: Repeat daily, or as necessary, until undesirable habit is broken.

OUTDOOR USE:

Use outdoors to prevent dogs and cats from disturbing flower beds, areas of lawn, trees, shrubbery, fences, patio furniture, and garbage cans/bags.

4/4

NOTE: This product is not likely to break the established urination patterns of dogs unless it is used as a training aid.

Pretreatment Directions: Stray animals are frequently attracted to areas where pets have soiled with feces or urine. To discourage repeat visits, remove any droppings and clean with water.

Application Directions: Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants. Do not apply to food or feed crops. Lightly spray surrounding soil or apply to a piece of cloth and affix near area to be protected every day.

Retreatment Directions: Repeat daily, or as necessary, until undesirable habit is broken.

STORAGE AND DISPOSAL

STORAGE: Store only in a cool, dry place inaccessible to children and pets, away from heat or open flame.

DISPOSAL: When empty, replace cap, securely wrap in newspaper and discard in trash. Do not incinerate or puncture.
