

DIRECTIONS

Apply with coarse sprayer to mildewed area on recommended surfaces. Rinse if desired. Repeat if necessary. Do not apply to non-fast colors. If in doubt test small area before using. Use for removing mildew from vinyl tops and other plastic surfaces; tile grout, shower stalls, shower doors, shower curtains; tile; canvas products; sails; mats; sound painted surfaces; and other non-oxidizing materials.

Do not mix with any other substance.

Do not reuse container. Destroy when empty.

WARRANTY: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material, when such use and/or handling is contrary to label instruction.

CAUTION: Harmful or fatal if swallowed. Skin and eye contact may cause severe irritation.

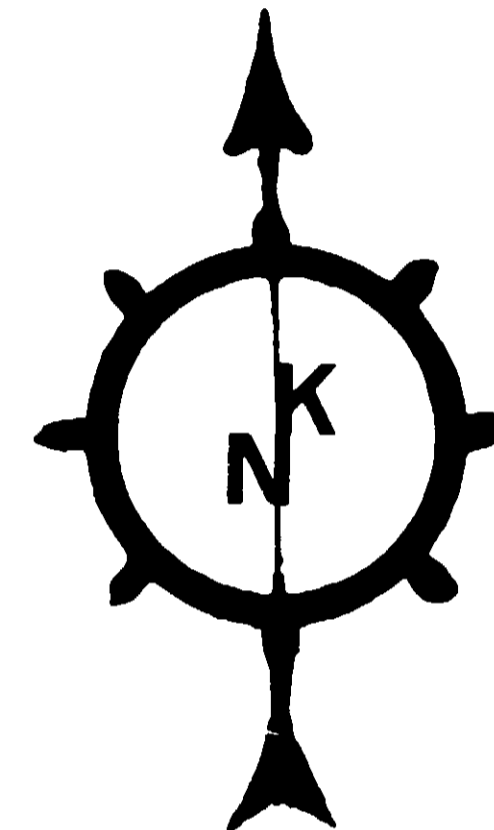

This product is toxic to fish. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

ANTIDOTE: *internal* — feed cooked cereal followed by cooking oil or milk. Call physician. *external* — skin or eyes rinse immediately with water.
