PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION

HUMAN: Harmful if swallowed. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

ANIMALS: Do not use on animals under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing or medicated animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild pet shampoo and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

[Not required on containers less than five gallons]

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams, ponds, tidal marshes and estuaries. Do not wash animal where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND CATS.

An insecticidal shampoo rich in coconut conditioners that aid in building body, luster, and groomability to the coats of dogs and cats. The insecticidal ingredients are highly and rapidly effective against fleas, ticks and lice when used as directed.

Mix 1 part shampoo with 3 parts water. Wet the dog or cat and apply a generous amount of shampoo working it well into the coat. For the best results, the dog or cat should be left in a lathered state for four or five minutes before rinsing with warm water. Do not reapply product for 2 weeks.

STORAGE AND DISPOSAL *[Header not required on containers less than 5 gallons]*

Storage: Do not contaminate water, food, or feed by storage and disposal.

If empty: Place in trash or offer for recycling, if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
