DIRECTIONS

This ready-to-use concentrate may be dispersed through good mechanical, thermal, or compressed air fogging or spraying equipment.

Remove pets, birds, and cover fish aquaria before spraying.

The use of this product in food processing plants, including restaurants and bakeries, should be confined to time periods when the plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using.

SPACE TREATMENT: Close doors and windows and shut off ventilating systems. Apply as a fog or fine mist, distributing the spray throughout the area. Use at a rate of 1 ounce per 1000 cubic feet of space. Direct spray behind and under obstructions and contact crawling insects whenever possible. Keep area closed for 10 to 15 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment as necessary.

The above described application will kill accessible, exposed stages of flies, including fruit flies, mosquitoes, silverfish, flying moths, gnats, crickets, roaches, spiders, scorpions, wasps, bees, clover mites, cheese mites, cheese skippers, and other common stored product pests; granary weevils, rice weevils, confused flour beetles, saw-toothed grain beetles, spider beetles, cigarette beetles, drugstore beetles, Angoumois grain moths, Mediterranean flour moths, Indian meal moths, tobacco moths, meal worms, and grain mites.

SURFACE APPLICATION: To insure maximum control of crawling insects listed, apply as a coarse mist directed toward insects, into cracks, crevices, around machinery, around containers of stored products and other areas wherever these insects may hide. Pests driven out of hiding places should be sprayed directly. Repeat as necessary.

CAUTION: Harmful if swallowed. Avoid contamination of feed or foodstuffs.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Destroy by perforating or crushing and burying in a safe place or return to drum reconditioner.
