NON-CROP AREAS

For use in killing weeds and grasses on non-crop land such as around industrial plants, warehouses, bridges, storage yards, parking lots, fence lines, power and telephone poles, signs, recreational areas and other similar areas where there is no danger to valuable vegetation or where unproductive soil is not objectionable.

RATE: Under ordinary conditions use one gallon of weed killer concentrate diluted with four gallons of a good petroleum solvent such as fuel oil, kerosene, or mineral spirits per 1000 square feet. Under conditions where the weeds are difficult to control, use diluted two gallons of weed killer concentrate with two gallons of petroleum solvent to cover 1000 square feet.

HOW TO APPLY: Use a sprayer which will distribute the required amount evenly over the area to be treated. Use a coarse spray to reduce drift. Application may be made when top growth is dense, but better control will be obtained when weeds are short or when excess growth is mowed and removed before applying.

WHEN TO APPLY: Best results will be obtained if applied in spring when weeds and grasses are actively growing.

NOTE: DO NOT apply allow to drift or drain or flush equipment onto or near croplands, lawns, trees or other desirable plants or to areas where their roots may extend. DO NOT contaminate irrigation ditches or water used for domestic purposes. DO NOT allow contact with fertilizers, insecticides, fungicides or seeds. Application equipment should be thoroughly cleaned with a detergent and water to prevent corrosion. Equipment which has been used to apply this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals as plant injury may result.

MANUFACTURED BY

BIONOMICAL CHEMICALS AND SERVICES, INC.
1003 PINEVILLE ROAD
CHATTANOOGA, TENNESSEE 37405

CAUTION

HARMFUL IF SWALLOWED OR ABSORBED THROUGH THE SKIN. VAPOR HARMFUL. IRRITATING TO SKIN AND EYES. Do not get on skin or in eyes. Do not breathe vapor or mist.

If swallowed, do not induce vomiting. Call physician immediately. In case of contact with skin, wash thoroughly with soap or detergent and water. For contact with eyes, flush immediately with water for at least 15 minutes and get medical attention. Wash hands thoroughly with soap or detergent and water after using or handling.

ENVIRONMENTAL CAUTIONS

This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Keep out of areas, ponds, and streams. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Follow directions carefully.

Do not reuse container. Destroy by perforating or crushing and bury in a safe place or return drums to drum return distributor. Do not burn.

Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

NOTICE OF WARRANTY

Sellee makes no warranty of merchantability, fitness for any purpose, or otherwise, express or implied, concerning this product or its use, which extend beyond the statements on this label.
