Gentlemen:

Subject: Aquatreat DN-22.5
EPA Registration No. 31910-8
Your Submission Dated September 21, 1983

The placement of the Storage and Disposal instructions on your updated labels at the top of the right hand column above your use patterns and directions is acceptable.

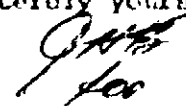

However, you must correct the words "cooking towers" located below the ingredient statement. The words should be "cooling towers."

Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

John H. Lee
