

# KOZY PET

## BIRD AND SMALL ANIMAL SPRAY

for parakeets, canaries, and parrots as well as mice, gerbils, hamsters, guinea pigs, and rabbits.

- kills mites, lice, fleas and ticks
- freshens cage

### Directions:

Shake well, hold vertically one to two feet from cage and squeeze sides of bottle to produce a fine mist. See back panel for specific applications.

### CAUTION: Keep out of reach of children.

Do not apply to food crops. Avoid contamination of food and feedstuffs. Cover fish and turtle bowls when spraying.

net contents 2 1/2 fl. oz.

## KOZY PET BIRD AND SMALL ANIMAL SPRAY

**For Birds:** Spray no more than twice each week for lice infestation. For mite infestation, remove bird from cage and thoroughly spray perches, cage wire, and bottom. Always clean cage and perches and replace sheet at regular intervals.

**For Small Animals:** Spray two or three times each week for lice, mites, fleas, or ticks. For severe infestation, remove animal, discard litter, wash feed cups and thoroughly spray cage. Ticks must be contacted directly by spray for effective control.

### Active Ingredients:

Pyrethrins	0.50%
Piperonyl Butoxide, Technical*	1.00%
N-octyl bicyclonептene dicarboximide	1.60%
Petroleum Distillate	4.434%

### Inert Ingredients:

	95.250%
--	---------

\*equivalent to .080% (Butylcarbityl) (6-Propylpiperonyl) Ether and .020% related compounds.

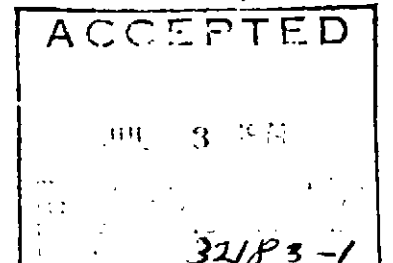

EPA Reg. No. 32183-1
