apply where runoff is likely to oc  
drift from areas treated. Do not c  
purposes or by cleaning of equipmen  
specified on this label.

**WARNING:** Harmful if swallowed  
eyes, and clothing. Wash thoroughly

**ANDIDOTE:** In case of contact,  
medical attention. Remove and wash

Manufactured by: **NORCHEM CORP**

**DIRECTIONS:** To control most weeds and grasses for extended periods on areas such as industrial plant sites, parking lots, loading ramps and around storage buildings and similar non-crop areas, apply 1 to 4 gallons per 1000 square feet of *END GROW* after the most predominant weeds have emerged. No agitation is required. *END GROW* can be applied with standard spray equipment. For treating small areas, a tank type hand sprayer or sprinkling can may be used.

**NOTE:** Users should consult State Agricultural Experiment Stations or Extension Service Weed Specialists for recommendations as to use of *END GROW* in their particular area, or write to:  
**NORCHEM CORP.**  
**P.O. BOX 2772**  
**EUGENE, OREGON 97402**

**IMPORTANT:** *Do not apply directly to, or otherwise permit END GROW to contact susceptible plants as this product may injure cotton, beans, peas, grapes, flowers, fruit trees, ornamentals, or other desirable plants. Avoid spray drift to such susceptible plants (coarse sprays are less likely to drift). Vapors from this product may injure susceptible plants in the immediate vicinity. Do not apply to areas underlaid by roots of desirable trees and shrubs. Thoroughly clean spray equipment with suitable chemical cleaner before using for other purposes (or do not use same equipment for other purposes). Do not store near fertilizers, seeds, insecticides or fungicides. Do not reuse this container.*

*END GROW* is toxic to fish and wildlife. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water used for irrigation or domestic purposes or by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**WARNING:** Harmful if swallowed. Causes skin irritation. Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling.

**ANDIDOTE:** In case of contact, flush with large amounts of water; for eyes, get medical attention. Remove and wash contaminated clothing before reuse.
