NET WEIGHT TWO OUNCES

## PYRESAN

### STOP AND READ LABEL

• PYRESAN kills Cockroaches (Waterbugs), Ants, Bedbugs, Silverfish on contact by promoting a physical-chemical action. PYRESAN prevents entry of Drywood Termites. PYRESAN is also effective against Cat and Dog Fleas. PYRESAN may be used in accordance with directions in Homes, Restaurants (inedible areas), Hotels, Offices, Plants and Warehouses.

### DIRECTIONS FOR USE

- ANTS: Distribute PYRESAN at an approximate rate of one ounce per 50 sq. ft. Thoroughly dust ant trails, and areas around door sills and window frames, and in any location the pests enter the premises. Repeat treatment as necessary.
- BEDBUGS: Take bed apart. Dust joints and channels. Dust mattress, tufts, folds and edges. Treat picture frame mouldings, all cracks and crevices in room. Repeat treatment as necessary.
- ROACHES: (German, Brown-banded, Oriental) At an approximate rate of one ounce per 50 sq. ft., distribute PYRESAN in a visible film concentration between and behind all shelving edges, mouldings, around pipe openings, in cracks and crevices where insects may hide. Repeat treatment as necessary.
- SILVERFISH: Dust bookcases, closet shelves, behind baseboards, windows and door frames, and storage areas (attics) where books and papers are present. Repeat treatment as necessary.
- TERMITES: (Drywood) To prevent entry of Drywood Termites the PYRESAN two-ounce container is sufficient for small, sporadic infestations covering areas of approximately 100 sq. ft. (For heavy infestations it is suggested to use PYRESAN 209 - One Pound Bag.) Repeat treatment as necessary.
- FLEAS: (Cats and Dogs) Apply powder liberally to animal, rubbing thoroughly to the skin. Begin with the neck and include underbody, legs, feet, base of tail. Repeat treatment as necessary. Kennel surfaces should be dusted at a rate of one ounce per 50 sq. ft. (Heavily infested lawns, basements and crawl spaces should be dusted at a rate of one pound per 1000 sq. ft. Suggested use: PYRESAN 209 - One Pound Bag.) Repeat all treatments as necessary.

### ENVIRONMENTAL CAUTIONS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

### CAUTION: KEEP OUT OF REACH OF CHILDREN

Avoid inhalation. Avoid contamination of Food and Food Preparation Surfaces. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Do Not Re-Use Container. Destroy When Empty.
