ALLIED SERVICES

AL-STOP 4B

Apply only as specified on this label

DIRECTIONS FOR USE

For use on non-crop land such as Railroad and Pipeline Right-of-ways, industrial Plants, Lumber Yards, Tank Farms, Storage Areas and Parking Lots for control of most annual and perennial grasses and broad-leaved weeds. Effects are slow to appear and will not become apparent until the chemical has been carried into the root zone of the weeds by moisture. Control will last for an extended period. The effectiveness and length of time control will last depend on type of soil, amount of rain and other conditions

HOW TO APPLY: Use a mechanical spreader or other device which will spread the required amount evenly over the area to be treated. It may be applied when top growth is dense, but better control will be obtained when weeds are short or when excess growth is mowed and removed before applying.

WHEN TO APPLY: Best results will be obtained if applied shortly before or at the time plant growth begins. Rain or thorough watering after application will cause the material to move to the root zone and thus speed up control. Do not apply when ground is frozen

GENERAL WEED CONTROL

ANNUAL WEEDS AND GRASSES: For foxtail, crabgrass, cheatgrass, wild oats, bromegrass, ryegrass, pigweed, ragweed, turkey mullein, and lambsquarter use 60 to 100 pounds per acre.

PERENNIAL WEEDS AND GRASSES: For quackgrass, bluegrass, smooth brome, Bahiagrass, redtop, purpletop, broomsedge, aster, plantain, dandelion, wild carrot, dog fennel, and goldenrod use 140 to 240 pounds per acre.

For Hard-to-Kill Weeds and Grasses: such as Johnson-grass, Bermuda grass, nutgrass, Dallisgrass, Vasey grass, saltgrass, bouncing bet, dogbane, bracken fern, and horse-tail use 300 to 600 pounds per acre.

ACTIVE INGREDIENTS 4%
 *Bromacil [5-bromo-3-sec-butyl-6-methyluracil] 4.0%
INERT INGREDIENTS 96.0%

*U.S. Pat. 3,235,357

CAUTION

Harmful if swallowed. May cause irritation of eyes, nose, throat and skin. Avoid breathing dust or vapor. Do not get on skin, in eyes or on clothing. Wash hands thoroughly after handling and before smoking and eating.

FIRST AID: For contact with skin, remove contaminated clothing and wash skin thoroughly with soap and water. For contact with eyes, flush with plenty of water for at least 15 minutes and get medical attention.

Injury to or loss of desirable trees or other plants may result from failure to observe the following: Do not apply, allow to drift, clean or flush equipment on to or near croplands, lawns, trees or other desirable plants or to areas where roots may extend, or in locations where the chemical may be washed or moved into contact with their roots. Do not use on lawns, walks, driveways, tennis courts, or similar areas.

Thoroughly clean all traces of this product from application equipment immediately after use with a detergent and water to prevent corrosion.

Do not contaminate water by cleaning of equipment or disposal of wastes.

Equipment which has been used for applying this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals as plant injury may result.

Do not store near feed or foodstuffs.

Do not allow contact with fertilizers, insecticides, fungicides, other agricultural chemicals or seeds.

Do not contaminate water used for irrigation or domestic purposes.

CONTAINER DISPOSAL: Do not reuse container. Dispose of in accordance with state and local laws and regulations. Where permitted, dispose of empty bags by burning or burying in non-croplands away from water supplies.

Apply, use, store, handle only as specified on this label or in appropriate PRODUCT BULLETIN(s). Buyer/User may be subject to civil and/or criminal penalties for failure to observe the labelling directions and precautions.

ALLIED SERVICES makes no warranty of merchantability, fitness for any purpose, or otherwise, express or implied, concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label or appropriate PRODUCT BULLETIN(s).
