

PAAP®

GRAIN PRESERVER

ACTIVE INGREDIENTS

Acetic Acid	35%
Propionic Acid	65%
EPA Reg. No. 32962-1	

DIRECTIONS FOR USE . . .

The moisture content of grain determines the amount of PAAP to be used for the control of mold* in storage. The following table is representative of the amounts of product to be used in treating high moisture corn . . . For use as Animal feed only.

<u>Percent Moisture in grain (corn)</u>	<u>Qts. PAAP Per Ton</u>
20	7.2
22	8.2
24	9.1
26	10.2
28	11.3
30	12.5
32	13.6
34	14.8
36	16.0

July 22, 1974
32962-1

The PAAP should be mixed thoroughly and evenly over the grain before it is placed in storage. The setting of the dial on your President® applicator should be according to the above chart.

*Asperigillus, Penicillium, Bacteria

DANGER: CAUSES SEVERE BURNS

KEEP OUT OF REACH OF CHILDREN

DANGER: PAAP may cause extended skin damage and severe burns. Do not get on skin or in eyes. Use waterproof gloves and face shield or goggles when handling PAAP. Harmful if swallowed. In case of contact, immediately remove contaminated clothes and flush skin or eyes with plenty of water: for eyes, get medical attention. PAAP corrodes metal spray equipment. Wash equipment thoroughly after use.

CONDITIONS OF SALE AND WARRANTY . . .

The DIRECTIONS FOR USE of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of the JACE Corp. or the Seller. All such risks shall be assumed by the Buyer.

Do not reuse empty containers. Destroy when empty. Containers should be disposed of first by rinsing, then by punching holes in them and burying with wastes on noncrop lands away from water supplies.

JACE Corp. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the DIRECTIONS FOR USE, subject to the inherent risks referred to above. JACE Corp. makes no other express or implied warranty of FITNESS or MERCHANTABILITY or any other express or implied warranty. In no case shall JACE Corp. or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. JACE and the Seller offer this product and the Buyer and user accept it, subject to the foregoing CONDITIONS OF SALE AND WARRANTY which may be varied only by agreement in writing signed by a duly authorized representative of JACE Corp.
