GUARANTEE

ROACH STOP brand roach powder is guaranteed by the manufacturer to kill all roaches or your money refunded, if used as directed on this label. Use 8 ozs. in an average infested six room dwelling. If not satisfied, return empty container for refund. Allow several days for old and young roaches to find baits. Add to the baits two or three times per year to control reinfestation.

DIRECTIONS

Bait by placing one tablespoon of ROACH STOP brand roach powder in a small, open top container or on a three inch square piece of wax paper. Place in secluded areas such as under refrigerator, stove, kitchen sink, and especially in areas where roaches will be looking for water, and in places which are not cleaned daily and not accessible to children and pets. 20 baits should be used in an average six room house.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN.

FIRST AID TREATMENT

Call a physician. If conscious, induce vomiting by giving a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Keep patient warm.
