U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Biopesticides and Pollution Prevention Division (7511P)  
1200 Pennsylvania Avenue NW  
Washington, DC 20460

EPA Reg. Number:

33025-3

Date of Issuance:

FEB 02 2012

Term of Issuance:

Unconditional

Name of Pesticide Product:

Tiki Insect Repellent  
MONARCH 1101A

NOTICE OF PESTICIDE:

Registration  
 Reregistration  
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Georgia Anastasiou  
Lamplight Farms, Inc.  
c/o Lewis & Harrison  
122 C Street, N.W., Suite 740  
Washington, D.C. 20001

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This registration does not eliminate the need for continual reassessment of the pesticide. If EPA determines at any time that additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under section 3(c)(2)(B) of FIFRA. This product is unconditionally registered in accordance with FIFRA Sec. 3(c)(5) provided you:

1. Submit and/or cite all data required for registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Revise the EPA Registration Number to read, "EPA Reg. No. 33025-3."
3. Submit two (2) copies of the final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
4. Within one year of the date of registration, submit acceptable data to fulfill the requirements of Storage Stability (OCSP Test Guideline 830.6317) and Corrosion Characteristics (OCSP Test Guideline 830.6320) for this product.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

*W. Michael McDavit*  
W. Michael McDavit, Associate Director,  
Biopesticides and Pollution Prevention Division

## **Sub-label A- Ready 2 Light® Canisters**

### **PRECAUTIONARY STATEMENTS**

#### **Hazards to Humans and Domestic Animals**

**CAUTION.** Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking chewing gum, or using tobacco. Avoid contact with skin, eyes, and clothing. Contains petroleum hydrocarbons. Do not take internally.

#### **First Aid**

**If Swallowed:** Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

**Note to Physician:** Contains petroleum distillate -vomiting may cause aspiration pneumonia.

#### **Environmental Hazards**

For terrestrial use: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutter or surface waters. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

#### **Physical or Chemical Hazards**

Combustible. Do not store near heat or open flame.

**CALIFORNIA PROP. 65 Notice:** This product and combustion products emitted when this product is burning may contain chemicals known to the State of California to cause cancer, birth defects or reproductive harm.

### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### ***Ready-to-Light Canisters (Will be sold individually and with Torch)***

**FOR OUTDOOR USE ONLY.** Do not use canister outside of torch. Place TIKI® Insect Repellent Monarch 1101A in torch. Twist off cap. Adjust wick height as necessary, but no higher than ¾". With metal flameguard in place, light wick. Using snuffer cap attached to the torch, carefully place completely over wick until flame is extinguished. When flame has been extinguished, remove snuffer cap until the wick has completely cooled. Replace cap after each use to help prevent accidental ingestion.

#### ***Torch Carton (This language will be used when sold with a preassembled or unassembled torch)***

**FOR OUTDOOR USE ONLY.** Use only in well-ventilated area. Do not use in windy conditions. Do not tip torch as fuel can spill and cause fire or serious injury.

#### **NOTE: USE ONLY TIKI® TORCH FUEL – DO NOT USE GASOLINE OR OTHER FLAMMABLE FUELS.**

1. **INSTALLING:** Insert torch pole into ground minimum of 6" until secured. Do not place torch under covered shelter, near pedestrian traffic or combustibles such as wood structures, fuel, clothing or dry vegetation. Place prefilled TIKI Insect Repellent Monarch 1101A in torch. Twist off cap. Adjust wick height as necessary, but no higher than ¾".
2. **LIGHTING:** With metal flame guard in place, light wick. Keep clothing, hair and face away from flame.
3. **EXTINGUISHING:** Using snuffer cap attached to the torch, carefully place completely over wick until flame is extinguished. To prevent snuffer cap from igniting, remove after flame is extinguished and allow the wick to cool. Replace cap after each use to prevent accidental ingestion.

#### ***Assembled Torch Carton***

Remove hang tag before lighting and retain for reference.

#### ***Unassembled Torch Carton***

See bottom panel and back of box for complete warnings and instructions for use.

Assemble metal pole sections & place into ground. Remove cap from prefilled [Tiki Insect Repellent Monarch1101A] Canister[s], adjust wick as necessary & place in torch[es]. Light wick.
