Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment – Minor labeling changes includes update layout of master label, ingredient statement, optional claims, use direction and precautionary statements and remove the California Prop 65 Notice language.

Product Name: Tiki Insect Repellent Monarch 1101A

EPA Registration Number: 33025-3

Application Date: 11/08/2019

OPP Case Number: 00074867

Submission Number: 1043412

Dear Ms. Anastasiou:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company’s website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section

EPA Reg. No. 33025-3
OPP Case No. 00074867

12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Menyon Adams by phone at (703) 347-8496 or via email at adams.menyon@epa.gov.

Sincerely,

Andrew Bryceland, Team Leader

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling product and before eating, drinking chewing gum, using tobacco or using the toilet. [Contains petroleum hydrocarbons.] Do not take internally.

First Aid

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

Note to Physician: Contains petroleum distillate -vomiting may cause aspiration pneumonia.

Environmental Hazards

For terrestrial use: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutter or surface waters. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

Physical or Chemical Hazards

Combustible. Do not store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR OUTDOOR USE ONLY.

Directions for Torch Bottle/Carton

Remove cap. Pour fuel directly from bottle into [vessel], [canister], [burner], [torch], [table torch]. [Store and dispense fuel from original container into vessel.] Wipe away excess fuel before lighting. Replace cap [after each use to prevent accidental ingestion.] [Failure to follow warnings and instructions may result in serious injury or property damage.] [DO NOT use product under the influence of drugs or alcohol] [DO NOT add fuel to burner when it is burning or hot.] Follow all product manufacturers instructions for use. [Retain these instructions for future use.]

Directions for Ready-to-Light Canisters

Place fuel canister in torch. Twist off cap. [Adjust wick height as necessary but no higher than 1".] Only use fuel canister with TIKI® Brand products. [With metal flame guard in place, light inserted wick.] Keep clothing, hair and face away from flame. To extinguish, carefully place snuffer cap completely over wick and leave in place until flame has completely suffocated. When flame has been extinguished, remove snuffer cap until the wick has completely cooled. Replace child resistant cap to protect wick. Do not add fuel. [Dispose of any unused fuel in accordance with local regulations regarding the disposal of combustible materials.]

STORAGE AND DISPOSAL

Pesticide Storage: Store upright, away from heat or open flame. **Container disposal: If empty:**

Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
