UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

MAY - 6 2008

Richard H. Collier  
Jungle Laboratory Corp.  
P. O. Box 630  
Ciboro, TX 78108-0630

Dear Mr. Collier:

Subject: Labeling Amendment  
Jungle Pond/Fountain/block  
EPA Reg. No. 33034-1  
Submission dated August 26, 2007

The Agency has reviewed your labeling and found that the labeling has fulfilled the reregistration requirement for Diuron to reregister the subject product under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) 4(g)(2)(c). Since the reregistration eligibility decision (RED) document for the other active ingredient in this product has not been issued. The subject product will be reregistered when all RED documents are available. You need to make the following labeling changes:

1. Under "Heading";

Add a statement regarding the weight of each active ingredient per unit volume in weight or volume measure.

2. Under "Precautionary Statements";

Change "Wash thoroughly with soap and water after handling" to "Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet."

3. Under "First Aid";

- Change "If on skin" to "If on skin or clothing."
- Interchange the sequence between If swallowed and If on skin or clothing statements.
- Add "Do not give anything to an unconscious person" to the If swallowed statement.
- Add a toll-free phone number for emergence treatment advice.

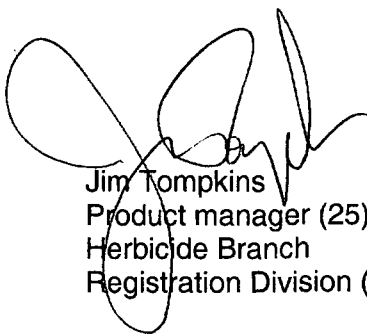

2/4

8. Under "Directions for Use":

You have two proposed applications for Containerized Pond and Fountains.  
Separate the pond and fountain water volumes in different sentences for clarity.

The amended label supersedes all previously accepted labels. A stamped copy of the revised label is enclosed for your records. Please submit one copy of your final printed labeling before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6 (e).

Sincerely yours,

Jim Tompkins  
Product manager (25)  
Herbicide Branch  
Registration Division (7505P)

**ACTIVE INGREDIENTS:**

Copper sulfate pentahydrate..... 1.02%

Diuron [3-(3,4-dichlorophenyl)-1,

1-dimethylurea]..... 0.51%

**OTHER INGREDIENTS:**..... 98.47%

**TOTAL:**.....100.00%

PR 04

Keep Out of Reach of Children

**CAUTION**

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND  
DOMESTIC ANIMALS

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

**FIRST AID:**

Call a poison control center or doctor immediately for treatment advice. Have the product container label with you when calling a poison control center or doctor or going for treatment.

**If swallowed:** Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing.

**If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Manténgase fuera del alcance de los niños

**PRECAUCION**

**ADVERTENCIAS**

RIESGOS PARA HUMANOS Y ANIMALES DOMÉSTICOS

Nocivo si se absorbe a través de la piel. Causa irritación moderada en los ojos. Evite el contacto con los ojos, la piel o la ropa. Lávese muy bien con agua y jabón después de usarlo.

**PRIMEROS AUXILIOS**

Llame inmediatamente al centro de control de envenenamiento o consulte a un médico para recibir tratamiento.

Tenga a mano la etiqueta del producto cuando llame a un centro de control de envenenamiento o a un médico o cuando vaya a recibir tratamiento.

**Si es ingerido:** Haga que la persona tome un vaso de agua si es que puede tragar. No provoque vómito a menos que se le haya indicado el centro de control de envenenamiento o un médico.

**Si entra en contacto con los ojos:** Mantenga el ojo abierto y enjuague lenta y suavemente con agua por 15 a 20 minutos. Quite los lentes de contacto, si usa, después de los primeros 5 minutos y siga enjuagándose.

**Si entra en contacto con la piel:** Quite la ropa contaminada. Enjuáguese inmediatamente la piel con agua abundante de 15 a 20 minutos.

**4 Blocks Net Wt. 1 oz. (28 g) each**  
**4 Barras Peso neto 28 g (1 oz.) cada una**

**Pond Block®**

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **FOR CONTAINERIZED PONDS ONLY.** Pond Block is limited for use in backyard/homeowner ponds and water fountains (maximum 3,000 U.S. gallons [11355 L]). Do not use fish from treated ponds or fountains for food or feed. Pond Block helps clear cloudy water and remove algae from ornamental pond/fountain water. **USE ONE BLOCK FOR WATER VOLUMES BETWEEN 100 AND 250 U.S. GALLONS (380 L – 950 L).** Initial dose may require one block for each 100 U.S. gallons (380 L). For regular maintenance, replace block when fully dissolved (usually after 30 days). Not recommended for use with live plants. This product contains a chemical known to the State of California to cause cancer.

**STORAGE AND DISPOSAL: Pesticide Storage:** Store in an area inaccessible to children, water supplies and feed. **Pesticide Disposal:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. **Container Disposal:** Do not reuse this container. Place in trash or offer for recycling if available.

**Pond Block®**

**MODO DE EMPLEO:** La ley federal prohíbe usar este producto de una manera que no coincida con su etiqueta. **SÓLO PARA ESTANQUES DE CIRCULACIÓN CERRADA.** Pond Block se limita a uso en estanques de patio/casas particulares y fuentes de agua (máximo 11355 L [3,000 galones]). No use peces de estanques o fuentes tratados para consumo humano o de animales. Pond Block ayuda a aclarar el agua turbia y elimina las algas de los estanques decorativos/fuentes de agua. **USE UNA BARRA PARA VOLÚMENES DE AGUA ENTRE 380 L – 950 L (100 Y 250 GALONES).** La dosis inicial puede requerir una barra por cada 380 L (100 galones). Para el mantenimiento regular, cambie la barra cuando se haya disuelto completamente (por lo general después de 30 días). No se recomienda usar con plantas vivas. Este producto contiene una sustancia química que según el Estado de California causa cáncer.

**ALMACENAMIENTO Y DESECHO:**

**Almacenamiento del plaguicida:** Guárdese en un área inaccesible a los niños y alejado del abasto de agua y de alimento para animales. **Desecho del plaguicida:** Llame a su agencia local de desecho de sólidos y obtenga instrucciones para su eliminación. Nunca vierta los residuos de un producto sin usar por el drenaje interior o exterior. **Desecho del recipiente:** No vuelva a usar este recipiente. Colóquelo en la basura o llévelo a reciclar si es posible.
