Dear Ms. Findell:

SUBJECT:

Diuron Reregistration Label Amendment

No More Algae

EPA Registration No. 33034-002

The label amendment referred to above, submitted in accordance with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provision:

1. The following statement must be added to the label: "Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact [insert phone numbers 1-800-xxx-xxxx] for emergency medical treatment information."

A stamped copy is enclosed for your records. Please submit one (1) copy of your final printed labeling before you release the product for shipment. This amended labeling supersedes all previously accepted ones.

Sincerely yours
