Subject: Label Amendment - Registration Review Mitigation for Copper Compounds
Product Name: No More Algae
EPA Registration Number: 33034-2
Application Date: August 27, 2025
Case Number: 478802

Dear Bradley Comstock:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Copper Compounds Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact Concepción Rodríguez by phone at 202-566-0820, or via email at rodriguez.concepcion@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. K. Muhammad-Perch', with a long, sweeping horizontal line extending to the right.

Keep Out of Reach of Children

CAUTION

{Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted a detalle. (If you do not understand the label, find someone to explain it to you in detail).}

ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK/ ON SIDE/ ON BACK and SIDE

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wear waterproof gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARD

Copper, one of the active ingredients of this product, is toxic to fish and aquatic invertebrates. If used at the recommended use rate, this product is not expected to be toxic to fish. Do not apply or allow discharge of treated water lakes or ponds with outflow.

Fish Advisory Statement: This copper product is toxic to fish and aquatic organisms. Unlike most organic pesticides, copper is an element and will not break down in the environment and will therefore accumulate in sediment with repeated applications. Copper is a micronutrient, but its pesticidal application rate exceeds the amount of copper needed as a nutrient.

<p>Keep Out of Reach of Children CAUTION {Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted a detalle. (If you do not understand the label, find someone to explain it to you in detail)}</p>	
FIRST AID	
IF IN EYES:	<p>Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</p> <p>Call a poison control center or doctor for further treatment advice.</p>
IF ON SKIN OR CLOTHING:	<p>Take off contaminated clothing.</p> <p>Rinse skin immediately with plenty of water for 15-20 minutes.</p> <p>Call a poison control center or doctor for further treatment advice.</p>
IF SWALLOWED:	<p>Call poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor.</p> <p>Have person sip a glass of water if able to swallow.</p> <p>Do not give anything by mouth to an unconscious person.</p>
HOT LINE NUMBER	

Have the product container or label with you when calling a poison control center, doctor, or going for treatment. For emergency information concerning this product, call 1-866-823-2749. For non-emergency information concerning this product, call the National Pesticides Information Center (NPIC) at 1-800-858-7378 Monday – Friday 8:00am to 12:00pm PST, contact the NPIC website: www.npic.orst.edu.

Note to Physician: Skin symptoms may be similar to copper allergic reactions and can be treated similarly, including the use of steroid-containing lotion. If swallowed, probable mucosal damage may contraindicate the use of gastric lavage.

{See side/back panel(s) for additional precautionary statements}

Net Wt. _____

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact adults, children, or pets. This product must only be used at the recommended dose rate of 1 tablet per 10 gallons (40 Liters) of [{aquarium}{containerized pond}{aquarium and containerized pond}] water.

[FOR AQUARIUMS AND CONTAINERIZED PONDS ONLY] [{NO MORE ALGAE® [{Tablets} {Tank Buddies} {Tabs} {Fizz Tablets} {Fizz Tabs}]] /[{Algae Treatment Tablets}] help(s) inhibit the growth of many types of algae in freshwater aquariums, including suspended algae blooms and algae which grow on the sides of glass and acrylic tanks. **Do not use in tanks with live plants, snails, or other invertebrates. Remove carbon from filter {cartridge} during use.**

USE ONE TABLET FOR EACH TEN GALLONS (40 L) OF AQUARIUM WATER. REPEAT TREATMENT WHEN ALGAE GROWTH BEGINS TO APPEAR. NOTE: Not for use in soft and/or acid water with low alkalinity. For regular maintenance, use once a month or as algae growth starts to appear. For best results: if algae are already present on sides of aquarium, wipe clean before treating. Wait at least 14 days between treatments.

[This product contains a chemical known to the State of California to cause cancer.]

STORAGE AND DISPOSAL:

Pesticide Storage: Store in an area inaccessible to children, water supplies and feed.

Pesticide Disposal and Container Handling: Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

[Not for use with live plants]
