Jungle Laboratories Corporation
P.O. Box 630
Cibolo, TX 78108-0630

Subject: EPA Reg. No. 33034-3 (Jungle No More Algae) Diuron RED (Reregistration)
Amendment

The labeling referred to above is acceptable provided you change the following:

1. Place the First Aid sections in the following order "If on Skin or Clothing, If in Eyes, and If Swallowed.". To the "If Swallowed" section add "Do not give anything by mouth to an unconscious person". Change "If on Skin" to "If on Skin or Clothing.". After the First Aid section, add "Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact (insert telephone number) for emergency medical treatment information.".
2. Change the Hazards to Humans and Domestic Animals section to "Caution Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.".
3. Change "Storage" to "Pesticide Storage" and "Disposal" to "Pesticide Disposal".
4. To the label add "Use of this product in certain portions of California, Oregon, and Washington is subject to the January 22, 2004 Order for injunctive relief in Washington Toxics Coalition, et al. v. EPA, C01-0132C, (W.D. WA). For further information, refer to <http://www.epa.gov/espp/wtc>."

If you have any questions please call Erik Kraft at 703-308-9358 or email at Kraft.Erik@epa.gov. You must submit one copy of the final printed labeling with the above changes.

Signature of Approving Official:

A handwritten signature in black ink, appearing to read "Jim Tompkins", followed by a small flourish.

TOTAL.....100.00%

EPA Reg. No. 33034-3
EPA Est. No. 33034-TX-1

NET 8 FL. OZ. (236 mL)
PESO NETO 236 mL (8 FL. OZ.)

FIRST AID

If swallowed:	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor.
If in eyes:	Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing. Call a poison control center or doctor for further treatment advice.
If on skin:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

PRIMEROS AUXILIOS

Si es ingerido:	Llame inmediatamente a un centro de control de envenenamiento o consulte a un medico para recibir tratamiento. Haga que la persona beba un vaso de agua si puede tragar. No provoque vomito a menos que se lo haya indicado el centro de control de envenenamiento o un medico.
Si entra en contacto con los ojos:	Mantenga el ojo abierto y enjuague lenta y suavemente con agua de 15 a 20 minutos. Quite los lentes de contacto, si usa, despues de 5 minutos y siga enjuagandose. Llame a un centro de control de envenenamiento o consulte a un medico para recibir indicaciones sobre el tratamiento.
Si entra en contacto con la piel:	Quite la ropa contaminada. Enjuague inmediatamente la piel con agua abundante durante 15 a 20 minutos. Llame a un centro de control de envenenamiento o consulte a un medico para recibir indicaciones sobre el tratamiento.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **FOR AQUARIUMS AND CONTAINERIZED PONDS ONLY.** No More Algae (for ponds) (for fountains) helps inhibit the growth of many types of algae in freshwater aquariums and backyard/homeowner ponds (water fountains and patio ponds) (limited to a maximum capacity of 3,000 U.S. gallons [11000 L]). Also retards growth of suspended algae blooms and algae which grow on the sides of backyard ponds and aquariums (water fountains) (patio ponds). Do not use fish from treated patio ponds (ponds) for food or feed. Remove carbon from filter during use.

SHAKE WELL BEFORE USING. USE ONE TEASPOON (5 mL) OR ONE CAPFUL TO TEN U.S. GALLONS (40 L) OF (POND) WATER. As regular maintenance, repeat treatment when algae growth begins to appear. Note: Not for use in soft and/or acid water with low alkalinity. For best results, if algae are already present on sides of aquarium (fountain) (patio pond) (pond), wipe clean before treating. Contents treats up to 480 (960) U.S. gallons (1800 L) (3600 L). Do not use in tanks or patio ponds (backyard ponds)

2/3
(water fountains) (patio ponds) with live plants, snails or other invertebrates. This product contains a chemical known to the State of California to cause cancer.

STORAGE AND DISPOSAL: Storage: Store in an area inaccessible to children, water supplies and feed. Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

MODO DE EMPLEO: La ley federal prohíbe usar este producto de manera que no coincide con su etiqueta. **SOLO PARA ESTANQUES (FUENTES) DE CIRCULACION CERRADA.** El alguicida liquido para estanques (fuentes) No More Algae ayuda a inhibir el crecimiento de muchos tipos de algas en (las fuentes de agua) los estanques de patio/casas particulares (limitados a una capacidad maxima de 11000 L (3,000 galones)). Además, retrasa el crecimiento de florecimientos de algas flotantes y las algas que crecen en las paredes de los estanques de patio (de las fuentes de agua). No use peces de los estanques (de las fuentes de agua) tratados para el consumo humano o de animals. Quite el carbon del filtro durante el uso. **AGITELO BIEN ANTES DE USARLO. USE 5 mL (UNA CUCHARADITA) O UNA TAPA LLENA PARA CADA 40 L (DIEZ GALONES) DE AGUA DEL ESTANQUE.** Como mantenimiento regular, repita el tratamiento cuando las algas empiecen a aparecer de Nuevo. Nota: No debe usarse en agua blanda y/o acida con alcalinidad baja. Para optimos resultados, limpie las paredes del estanque (de la fuente) antes de iniciar el tratamiento si ya hay algas. El contenido sirve para el tratamiento de hasta 3600 L (950 galones) 1800 L (480 galones). No lo use en los estanques de patios (en las fuentes de agua) donde haya plantas vivas, caracoles u otros invertebrados. Este producto contiene una sustancia quimica aue en el Estado de California se sabe que causa cancer.

ALMACENAMIENTO Y DESECHO: Almacenamiento: Guardese en un lugar inaccessible a los ninos, y alejado del abasto de agua y el alimento para animals. Desecho: Si esta vacio: No vuelva a usar este recipiente. Coloquelo en la basura o llevalo a reciclar si es posible. Si esta parcialmente lleno: Llame a su agencia local de desecho de solidos y obtenga instrucciones para su eliminacion. Nunca vierta los residuos sin usar del producto en el drenaje interior o exterior.

Not for Use on Food Fish
No debe usarse donde haya peces
Destinados a la alimentacion
