Subject: Label Amendment (revise environmental hazards statement)  
No More Algae Liquid  
EPA Reg. No. 33034-3  
Application Dated May 4, 2010

Dear Ms. Layton:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable, provided you make the following changes:

1. Remove "recommended" from the Environmental Hazards phrase so it reads "This product must only be used at the use rate of..."
2. Remove "either directly or through drift" from the Directions for Use so the restriction reads "Do not apply this product in a way that will contact adults, children, or pets."

A stamped copy of your label is enclosed for your records. This label supercedes all previously accepted labels. You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after eighteen (18) months from the date of this letter or the next printing of the label, whichever occurs first, must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Sincerely,

*Windy Andrich for*

**PRECAUTIONARY STATEMENTS  
HAZARD TO HUMANS AND DOMESTIC ANIMALS**

Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Wear long-sleeved shirt, long pants, shoes, socks, and chemical-resistant gloves made out of any waterproof material.

**ENVIRONMENTAL HAZARDS**

This product must only be used at the recommended use rate of one teaspoon (5mL) or one capful to ten gallons (40L) of aquarium or containerized pond water. Copper, one of the active ingredients in this product is toxic to fish and aquatic invertebrates. If used at the recommended use rate, this product is not expected to be toxic to fish. Do not apply or allow discharge of treated water to lakes, flowing water or ponds with outflow.

**DIRECTIONS FOR USE:**

**It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

Do not apply this product in a way that will contact adults, children, or pets either directly or through drift. Keep people and pets out of the area during application.

No More Algae® Liquid – Prevents Algae Growth

FOR AQUARIUMS AND CONTAINERIZED PONDS ONLY. NO MORE ALGAE helps inhibit the growth of many types of algae in freshwater aquariums and backyard/home ponds. (limited to a maximum capacity of 3,000 gallons, [11,000 L]). Also retards growth of suspended algae blooms and algae which grow on the sides of backyard ponds and aquariums. **Do not use fish from treated water fountains or patio ponds for food or feed. Remove carbon from filter during use.**

**SHAKE WELL BEFORE USING. USE ONE TEASPOON (5 mL) OR ONE CAPFUL TO TEN GALLONS (40 L) OF WATER.** As regular maintenance, repeat treatment when algae growth begins to appear. Note: Not for use in soft and/or acid water with low alkalinity. For best results, if algae are already present on sides of aquarium, wipe clean before treating. Contents treat up to 960 gallons (3,600 L). **Do not use in tanks, water fountains, or patio ponds with live plants, snails or other invertebrates.** Warning: This product contains a chemical known to the State of California to cause cancer.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal

**Pesticide Storage:** Store in an area inaccessible to children, water supplies and feed. Store product in original container.

**Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container.

**If empty:** Place in trash or offer for recycling if available. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
