NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The pesticide is hereby registered in accordance with FIFRA section 2(c)(1)(A) by this notice.
 2. The pesticide is hereby registered for sale and distribution (reregistration) of use in accordance with FIFRA section 2(c)(5) with the Agency requires all registrants to submit a copy of the following data:
 - a. A copy of the current registration No. 33161-11 to your label of the product to be shipped.
 - b. A copy of the stability study data submitted within 15 days from the date of this Registration Notice.
 - c. Submit a copy of your final printed labeling before you release the product for shipment. Refer to the 4-79 enclosure for a further description of final printed labeling.
- If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A sample copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

CAUTION

May be harmful if swallowed. Do not inhale vapors. Avoid contact with skin and eyes after using or before eating or smoking. Wash contaminated skin promptly with soap and warm water. Wash all contaminated clothing with soap and warm water before re-use. Do not allow children or pets to lie or sleep on treated areas until the spray has dried. Do not contaminate food or feedstuff.

Note to Physician: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine, only by injection, is antidote of choice.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment washwaters.

Physical or Chemical Hazards

Do not use or store near heat or open flame. Do not expose to temperatures above 130° F.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For use in: Non-Food Areas of the Home and Industrial Buildings, Schools, Warehouses, Offices, Theatres, Food Processing Plants, Restaurants, Garages, Hotels, Motels, and Kennels.

General: Spray surface to wetting. Point spray away from people, plants and pets. Do not use as a space spray. Use only for spot treatment.

To Kill Ants, Roaches, Crickets, Silverfish, Sowbugs, Spiders and Earwigs: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. Contact directly as many insects as possible. For ants, spray trails and places where ants enter premises. Repeat as necessary for control.

DIRECTIONS FOR USE CONTINUED

To Kill Brown Dog Ticks and Fleas: Remove and destroy old bedding. Spray sleeping quarters of pet, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as necessary. Fresh bedding should be placed in animal quarters after spray has dried. Do not spray animals.

To Kill Carpet Beetles and Dermestids: Spray along baseboards, edges of carpeting, under carpets and rugs, under furniture, in closets, on shelving, and in other places of harborage. Repeat as necessary.

For Use in Food Processing Plants and Food Handling Areas. Limited to Crack, Crevice, and Spot Treatment only.

Areas included are receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage, and enclosed processing systems (mills, dairies, edible oils, syrups). Serving areas (when food is exposed and facility is in operation also would be considered a food area).

For Spot Treatment—apply as above.

For Crack and Crevice—apply as follows:

To Kill Ants, Roaches, Crickets, Silverfish, Sowbugs, Spiders, Earwigs, Brown Dog Ticks, Fleas, Carpet Beetles and Dermestids: Apply diluted spray in small amounts directly into cracks and crevices. Equipment capable of delivering a pin stream should be used in points between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases where the above listed insects hide.

Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE AND SPOT TREATMENT ARE NOT PERMITTED.

DIRECTIONS FOR USE CONTINUED

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Keep container closed.

Pesticide Disposal: Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to applicable Federal, State or Local procedures.

Metal Container Disposal: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and Local procedure.

Plastic Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
