

WHERE TO USE

FORAGE UNLIMITED OLV 3D-3T is used to control certain trees and brush in wooded areas. It is not intended for use on lawns, pastures, or other areas where desirable plants are present.

WOODY PLANTS CONTROLLED

Mixtures of 2,4-D and 2,4,5-T have been found to give better results on certain woody plants than either chemical used alone.

FORAGE UNLIMITED OLV 3D-3T will kill or control the following as well as:

- | | | |
|----------------------|---------------------|--------------------|
| Alder | Elderberry | Poison Oak |
| Aspen | Elm | Poplar |
| Birch | Hawthorn | Sagebrush |
| Blackberry | Hickory | Sassafras |
| Box elder | Honeysuckle | Sumac |
| Buckbrush | Locust | Sweet gum |
| Charoake rose | Mulberry | Wild cherry |
| Choke cherry | Oak | Wild grape |
| Cottonwood | Osage orange | Wild Plum |
| Elder | Persimmon | Willow |
| | Poison Ivy | |

DIRECTIONS FOR USE

Add the recommended amount of product to diesel oil, No. 1 or No. 2 fuel oil, or kerosene. Use the following directions for application to various areas.

RIGHTS OF WAY and other non-cropped areas: Use one and one-third (1-1/3) times the recommended amount of product per gallon of spray.

TREE INJECTION: Dilute 1 gallon of product with 15 gallons of oil. Experienced applicators should use a 1/2 inch diameter hole in the trunk of the tree. The hole should be made in the trunk of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground.

LASAL TREATMENT: Dilute 2 gallons of product with 98 gallons of oil. 1 pint of product per gallon of spray. Apply to the trunk of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground.

STUMP TREATMENT: Dilute 2 gallons of product with 98 gallons of oil. 1 pint of product per gallon of spray. Apply to the stump of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground.

FRILL TREATMENT: For control of trees having trunks more than 6 inches in diameter. Apply to the trunk of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground.

WET CANE SPRAY: Mix 1 gallon of product with 100 gallons of oil. 1 pint of product per gallon of spray. Apply to the cane of the tree, about 1 foot above the ground. The hole should be made in the trunk of the tree, about 1 foot above the ground.

CAUTION

This product may cause skin irritation. Avoid inhaling spray mist. Do not use in enclosed areas.

DO NOT apply this product to susceptible broad leaved plants that are in bloom. Do not apply to plants that are stressed or in bloom.

Minute quantities may cause severe injury by drift or vaporization. Do not apply to plants that are stressed or in bloom.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not apply to water bodies.

DO NOT apply this product on lawns. Legumes, such as white clover, are susceptible and may be severely damaged or killed.

DO NOT graze dairy animals on treated areas within six weeks after application.

DO NOT graze meat animals on treated areas within two weeks of slaughter.

DO NOT store this product near fertilizers, seeds, insecticides, or fungicides.

DO NOT contaminate feed or foodstuffs.

DO NOT use around home, or on recreation sites, or similar areas.

DO NOT use spray equipment contaminated with this product for any other purpose unless the equipment has been cleaned very carefully with a suitable chemical cleaner.

DO NOT mix with liquid fertilizers.

If stored below freezing, it may be necessary to warm to 40°F and agitate before using. This does not affect the efficiency of the product.

DO NOT reuse empty container. Destroy by burying in a safe place away from water supplies. Do not burn.

NONWARRANTY

FORAGE UNLIMITED warrants that this herbicide conforms to the label directions. It does not warrant that the herbicide will kill or control all weeds or brush. The user assumes all liability for any damage to property or persons. Do not use in enclosed areas.
