KOTE-GLO Flick'n Tea LEMON SHAMPOO

Goodbye, ticks. Goodbye, fleas. Kote-Glo Flick'n Tea Shampoo for dogs combines a fine lemon shampoo produced from the finest shampoo ingredients, protein included, with an effective insecticidal ingredient to kill fleas, lice, ticks upon contact when used as directed. Furthermore, Flick'n Tea will improve the luster of your dog's coat, leave no dulling film, soften the hair, help to un-snarl matted hair areas, and leave no greasy ring around the wash tub.

DIRECTIONS

(SHAKE WELL BEFORE USING)

Wet dog THOROUGHLY with water. Lather Flick'n Tea well into coat until entire body is covered, avoiding contact with eyes. Matted or tangled hair should receive special attention. Allow lather to remain on animal five minutes to permit special formula to take full effect to kill on contact any fleas, ticks, and lice that are present. Then rinse dog thoroughly and dry. While brushing and combing may start with the dog partially dried, best results are obtained after the dog is thoroughly dried.

CAUTION: Keep out of reach of children. Harmful if swallowed. Avoid contact with eyes. May be absorbed through the skin. Wash hands thoroughly with soap and warm water after using.
