FIRST AID - STATEMENT OF PRACTICAL TREATMENT

INHALATION: Flush with plenty of water for at least 15 minutes.

SKIN CONTACT: Flush skin with cold water for at least 15 minutes. Call physician.

INGESTION: Give large amounts of water. Call physician.

STORAGE AND DISPOSAL

PRECAUTIONS: Do not contaminate water, food or feed by storage or disposal. Keep product dry in tightly closed container when not in use. Do not drop, roll or skid drum. Keep upright. Always repack in a cool, dry, well-ventilated area away from heat or open flame. Do not reuse empty container.

HAZARD: Triple rinse (or equivalent). Then offer for recycling, or puncture and dispose of in a sanitary landfill, or if allowed by state and local authorities, burn in a controlled incinerator. Do not store in open air. Do not breathe dust, fumes, or smoke.

ENVIRONMENTAL: Spills and discharges are toxic. Improper disposal of excess product, or rinsate is a violation of Federal Law. If the product is disposed of by use according to label instructions, consult the Pesticide or Environmental Control Agency or the representative at the nearest EPA Regional Office for disposal.

FOR INDUSTRIAL USE ONLY
