

OLIN 7060

for bacterial and fungal slime control

EPA Reg. No.
33576-31

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

CAUSES EYE AND SKIN IRRITATION. DO NOT GET IN EYES, ON SKIN OR ON CLOTHING. WEAR GOGGLES OR FACE SHIELD, RUBBER GLOVES AND PROTECTIVE CLOTHING (LONG SLEEVED SHIRT, LONG PANTS, AND BOOTS) WHEN HANDLING. HARMFUL IF SWALLOWED. AVOID CONTAMINATION OF FOOD AND FOODSTUFF.

ENVIRONMENTAL HAZARDS — This pesticide is toxic to fish. Discharge from treated areas may be hazardous to fish in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of waste.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. If plastic, do not reuse empty container.

DISPOSAL: Pesticide or rinsate that cannot be used or chemically reprocessed should be disposed of in a land fill approved for pesticides or buried in a safe place away from water supplies. Triple rinse (or equivalent) ALL containers and, for metal containers only, for recycling or reconditioning (for plastic containers dispose in an incinerator) or dispose in land fill approved for pesticide containers or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures.

ACTIVE INGREDIENTS

Sodium Dimethyldithiocarbamate

Nabam (Disodium Ethylene Bisdithiocarbamate)

INERT INGREDIENTS

Keep Out of Reach of Children

WARNING

FIRST AID-STATEMENT OF PRACTICAL TREATMENT

If in EYES or on SKIN immediately flush with water for at least 15 minutes. For EYES, call a physician. Remove and wash contaminated clothing before reentry.

If SWALLOWED, drink promptly a large quantity of water, milk, or egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately.

OLIN 7060

and fungal slime control in paper mills

JUL 30 1984

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the use of
registered under EPA Reg.

EPA Est. No.
33576-KS-1
33576-NY-1

33576-31

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Badly fouled systems must be cleaned before treatment is begun.

OLIN 7060 is highly effective for controlling the growth of bacteria and fungi in pulp and paper mills.

PAPER MILLS

OLIN 7060 may be added as a slug, intermittent, or constant flow treatment. Add where agitation is sufficient and where distribution to the mill system is obtained (such as at the beater, hydra-pulper, broke chest, or fan pump) to accomplish the desired effect.

DOSAGES: Dosage will vary from 0.1 to 2.0 pounds (1.3 to 26 fluid ounces) of OLIN 7060 per ton of finished paper depending on the type of stock, complexity of the system, quality of raw water and type and degree of contamination.

OLIN 7060 can be used to control slime on machines which can make paper and paperboard for use in food packaging. OLIN 7060 complies with Title 21 Code of Federal Regulations section 176.300 of the Food Additive Regulations and may be used under conditions specified in the regulations.

Gentlemen:

Subject: Olin 7000
EPA Registration No. 33576-31
Olin 3312
EPA Registration No. 33576-37
Your Letter Dated May 21, 1984

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted at the next printing.

1. Add "Do not apply directly to water or wetlands" to the environmental hazards statements.
2. Segregate and revise the Disposal heading and statements to read:

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Plastic containers may be alternatively disposed of by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

A stamped copy of each label is enclosed for your records.

Sincerely yours,
