

Hazards to Humans & Domestic Animals

CAUTION

May be harmful if swallowed. Skin and eye contact may cause severe irritation. Avoid contact with skin and eyes. In case of contact flush with plenty of water. Do not use ammonia or other bowl cleaners with this product. To do so will release hazardous gases.

Directions for Use

For manufacturing, reformulating or repackaging as a disinfectant, algicide and/or fungicide.

For use as a disinfectant for industrial waste treatment and/or municipal water supply treatment.

Degrades with age. Use a test kit and increase dosage as necessary to obtain required level of available chlorine.

STORAGE & DISPOSAL

STORAGE

Do not store in heat or sunlight. Avoid contamination by acids, ammonia, metals, organic compounds, peroxide or reducing agents.

DISPOSAL

Rinse empty containers thoroughly with water and return to Marzahl Chemical Co.
