DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a plant growth regulator or for use on tobacco and uses for experimental purposes that are in compliance with USEPA requirements.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS: - May be harmful if swallowed. Irritating Dust: Avoid inhaling or contact with skin, eyes or clothing. In case of contact flush with plenty of water. Get medical attention for eyes. Do not take internally. Wear long-sleeved work clothing and head covering. Change to clean clothing daily. Bathe and wash hair after each work day. Wash hands and face before eating, drinking, or using tobacco. Keep out of reach of children and domestic animals.

STATEMENT OF PRACTICAL TREATMENT (SOPT):

IF SWALLOWED: Never give anything by mouth to an unconscious or convulsion person. Get medical attention. If conscious and not convulsing, drink 1 to 2 glasses of water and induce vomiting by touching the back of the throat with finger.

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash thoroughly with soap and water.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.
