Gentlemen:

Subject: Douse  
EPA Registration No. 33816-1  
Your submission of January 24, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below.

1. Submit five (5) copies of your final printed labeling before you release the product for shipment.
2. Within one year, or February 1, 1992, submit information about the chemical identity of the third ingredient in your Confidential Statement of Formula: CAS number and MSDS. Your supplier can send this information directly to the Agency, along with a copy of this letter.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

*M. Mautz*
