NISSAN T.C.C.A. EXTRA GRANULAR

ACTIVE INGREDIENT
TRICHLORO S TRIAZINETR ONE 22.4%
INERT INGREDIENTS 18.4%
TOTAL 100.0%
PROVIDES 60% AVAILABLE CHLORINE

KEEP OUT OF REACH OF CHILDREN

DANGER**FIRST AID (PRACTICAL TREATMENT)**

IF SWALLOWED, drink promptly a large quantity of water. Avoid alcohol. Call physician.
IF IN EYES, flush with plenty of water. Get medical attention.
IF ON SKIN, wash with plenty of soap and water. Call physician if irritation persists.
WRITE TO PHYSICIAN. Probable mucosal damage may contraindicate the use of gastric lavage.

Directions For Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
For Manufacturing, Repackaging or Reformulating Insecticides, Sanitizers and Algaecides.
Each repacker or reformulator must obtain his own registration from the Environmental Protection Agency to market his product.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals.
DANGER: Corrosive. Causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves when handling. May be fatal if swallowed. Avoid breathing dust. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARD: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an effluent permit. (Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority.) For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARD: Oxidizing material. Avoid contact with combustible materials. Keep away from all sources of heat, flame or sparks. At elevated temperatures (above about 325°F) a self propagating thermal decomposition may occur with resultant fire and toxic gases. In case of fire, flood with large quantity of water. In the event of contamination or decomposition, do not reuse container.

STORAGE AND DISPOSAL

STORAGE: Store polyethylene liner after each use and keep container tightly closed. Store in dry place. Do not allow water to get into container. Keep container off wet floors. Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or irritant is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State or local authorities. Reuse empty container with water, and dispose of in the same manner.
