Made in Japan
Net Contents: 50 kg

Environmental Hazards

This pesticide is toxic to fish, aquatic invertebrates, and bees. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.

Directions For Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Only for formulation into miticides/insecticides for: 1) use on non-food greenhouse crops, 2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration and 3) uses for experimental purposes that are in compliance with USEPA requirements.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a cool, dry place.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal: Completely empty liner bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulation equipment.

Dispose of liner in a secure landfill or by incineration if allowed by state and local authorities. If drum cannot be recycled or reconditioned, puncture and dispose of in a secure landfill or by other procedures approved by state and local authorities.

In Case of Emergency

In case of large-scale spillage regarding this product, call:
Nissan Chemical America Corporation 630-775-9784

In case of medical emergency regarding this product, call:

1. Your local doctor for immediate treatment.
2. Your local poison control center (hospital).
3. Nissan Chemical America Corporation 630-775-9784

Steps to be taken in case material is released or spilled:

Wear an approved respirator for this product to prevent inhalation. Keep product dry. With a clean shovel, place material into clean, dry containers and cover loosely. Move containers from spill area for recovery and disposal. Refer to Precautionary Statements.

Conditions of Sale and Warranty
