DIRECTIONS

INDOOR AND ORNAMENTAL: Check for Ants, Saw Whetworms, White 3R wasps with 1 gallon of water and spray on leaves and ornamentals. This amount covers 375 square feet. Repeat as needed.

OTHER NUISANCE PESTS OUTDOORS: Cockroaches, Flies, Ants, Box Elder Beet, Spiders, Ticks, Chiggers, Earwigs, White 3R wasps with 1 gallon of water. Spray outside surfaces of window frames, doors, sills, screens, porch and patios, foundations, walls, inside and outside surfaces of garbage cans when located outdoors, and other places where insects may hide outdoors. Do not treat plants or animals.

WARNING

KEEP OUT OF REACH OF CHILDREN
May be fatal if swallowed. May be absorbed through the skin. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid consumption and storage near food and beverages.
Do not eat, drink, smoke, chew gum or use tobacco while using this product.
This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams and ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on the label.
This product is highly toxic to bees exposed to direct treatment or residues. Protective information may be obtained from your Cooperative Agricultural Extension Service. Keep children and pets off treated areas until this material is washed into the soil and grass is dry.
Do not mix with other cleaners.
Destroy when empty.

This product must not be used on golf courses and sod farms.

The above statement is to be inserted at the top of the label.
