

# Penta Wood Preservative

READY-TO-USE  
BULK SHIPMENTS

Multi Purpose

## DIRECTIONS

PENTA WOOD PRESERVATIVE is intended for use in accordance with the American Wood Preservers Association Manual of Standards, Sections C1-65, C2-66, C4-65, C5-66, C11-65, C14-66 and C16-66 for pressure treating.

Non-pressure treatment should conform to the Vacuum Treating Industry standards. Other non-pressure treatment would include complete immersion in an open tank. Where wood will be in direct contact with the ground, such as in the case of fence posts, the immersion period should be from 12-48 hours, and the posts should be peeled of bark, dry and well seasoned.

## NOTICE

Neither the manufacturer nor the seller makes any representation or warranty, express or implied, concerning this material, except that it is of the manufacturer's standard quality. Neither shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting from the handling, storage or use of this material. The buyer accepts and uses this material on these conditions

**WARNING**  
**KEEP OUT OF REACH OF CHILDREN**

**SUITABLE FOR PRESSURE AND NONPRESSURE TREATMENT OF WOOD BY COMMERCIAL TREATING PLANTS.**

### ACTIVE INGREDIENTS:

## WARNING

Harmful or fatal if swallowed or absorbed through the skin. If swallowed, induce vomiting by administering an emetic — call a physician immediately. Do not get in eyes or on clothing. To remove from skin, wash with plenty of soap and warm water. Keep away from foodstuffs, pets and livestock. Avoid inhalation of vapors. Flammable — keep away from fire and flame.

Wear protective clothing and neoprene gloves when handling freshly treated wood. Wash thoroughly after handling.

## CAUTION

If Penta Wood Preservative is placed in drums — Note, do not reuse empty drum. Return to a drum reconditioner or destroy by perforating or crushing and burying in a safe place away from water supplies

## ENVIRONMENTAL CAUTIONS

This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label
