WEED & FEED

Contains 2,4-D and SILVEX

Directions:
This product will control various and most-weed obnoxious weeds, such as clover, buckhorn, yellow and many other weeds in lawns. It will keep weeds from growing while controlling weeds. It will also kill weeds when they are young and actively growing.

The contents of this bag should be applied evenly with a mechanical spreader over 5,000 square feet (50 feet by 100 feet). For bag spreads use the following suggested spreader settings:

SPREADER MAKE

- Scott
- Handson
- Vanguard
- Lowry Bonny
- Stear
- Jackson
- Libon Master
- Cyclone Broadcast

SETTING

Do not mow for at least two weeks after application. Do not apply to a newly seeded lawn until the seedling ground has formed across heavily after 3 months. Damages and sprouts may be injured by this product. Do not use on susceptible Southern Grasses such as St. Augustine. DO NOT USE ON GINGERBREAD LAWNS.

Do not enter for at least 24 hours after application. If rain occurs within 24 hours after application a second spreading may be necessary.

CAUTIONS:

Avoid inhaling dust and contact with skin, eyes or clothing.

Use on lawns only. Do not use for gardens or on ground cover such as perennials or blue spruce. Do not apply directly to or allow dust or spray to contact flowers, vegetables, fruits, shrubs, or trees. Do not store near food, feedstuffs, insecticides or fungicides.

Use with care to fish. Keep out of lakes, streams, or ponds. Do not use equipment used by cleaning of equipment or disposal of waste. Do not use this product only as specified on this label.

Keep away from children in a safe place. Do not use.

WARRANTY

Manufacturer warrants that the composition of this product conforms to the label description given in the directions. However, the product is not a substitute for the maintenance of lawns. The buyer assumes the risk of the product's performance. The buyer assumes the risk of the product's performance. The buyer assumes the risk of the product's performance.
