**PRECAUTIONARY
STATEMENTS**

**Hazards to Humans &
Domestic Animals:**

DANGER: Corrosive. Causes eye and skin irritation. Do not get in eyes, on skin or clothing. May cause allergic skin reaction. When using this product, wear long-sleeved shirt, long pants, socks, shoes, chemical resistant gloves and eye protection. It is recommended that safety glasses include front, brow and temple protection. Wear goggles or face shield when handling. Harmful or fatal if swallowed. Do not breathe spray mist.

After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.

Statement of Practical Treatment:

IN CASE OF EYE CONTACT: Wash with water for at least 15 minutes and seek medical attention.

IN CASE OF SKIN CONTACT: Wash with plenty of soap and water. Get medical attention if skin irritation persists.

IF INHALED: Remove victim to fresh air.

IF INGESTED: Do not induce vomiting. Drink milk, egg whites, gelatin, or, if these are not available, drink large quantities of water. Avoid alcohol.

Note to Physician

There is no specific antidote; if ingested, do not induce emesis and take care to avoid aspiration of stomach contents during gastric lavage. Give a saline laxative and supportive therapy.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Drift or runoff may adversely affect nontarget plants. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater. Apply this product only as specified on this label.

Physical or Chemical Hazards

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried or dust has settled.

STORAGE & DISPOSAL

STORAGE: Store in original container in a locked storage area inaccessible to children and pets. Do not store near food or feedstuffs. Do not contaminate food or feedstuffs.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container. Rinse thoroughly before discarding in trash.

USE PRECAUTIONS

Care must be taken that none of this herbicide falls on flower beds or edges of lawns. Do not spray over roots of desirable trees, shrubs or grape vines. Never use a weed killer sprayer or equipment to apply insecticides or fungicides. Do not use same spray equipment to apply insecticides or fungicides. Do not use same spray equipment for other purposes. Avoid spray drift to vegetables, flowers, ornamentals or other desirable plants. Do not use fine mist sprays. Coarse sprays are less likely to drift from target area.

NOT FOR USE ON LAWNS . . .

KILLS GRASS

Read Precautions First!

1. Mix $\frac{3}{4}$ to 1 pint of Gordon's® Vegetation Killer per gallon of water in sprayer or sprinkler applicator. If sprayer is used, work at lowest possible pressure and use large nozzle orifices to give large droplets.
2. Apply one (1) gallon of spray mixture per 100 square feet. On scattered weeds wet all foliage to the soil. Full wetting is essential for good control. New shoots from deep rooted perennials such as Canada thistle and milkweed may require repeat spraying.

Make applications when weeds are young and actively growing. Action is slow if ground is dry or plants wilted.

3. Apply along fence lines, gravel drives, patio blocks, and around buildings where no growth is desired. Kills grass and broadleaf weeds. Do not use on lawns. Some species such as oxalis may not be completely killed. Annual weeds may sprout from seed 3 to 4 months following treatment. Tall weeds should be cut first as the dead foliage is a fire hazard.
4. Activity is apparent on plants in a few days but kill by root absorption may take 2 or 3 weeks. The spray mixture is white and any skips are noticeable so that complete coverage is easy to obtain.

LIMITED WARRANTY AND DISCLAIMER

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED. This limited

warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions, or to use of the product under abnormal conditions such as drought, excessive rainfall, tornadoes,

hurricanes, etc. These factors are beyond the control of the manufacturer or the seller. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
