Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA received a label amendment request submitted by email on June 15, 2011. EPA grants this request under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for Aliphatic Solvents have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Submit one (1) copy of all final printed labeling. Amended labeling will supersede all previously accepted labels. A copy of your label stamped "Accepted" is enclosed for your records. Products shipped after 12 months from the date of this Notice or the next printing of your label, whichever occurs first, must bear the new revised label.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Harmful if inhaled. Avoid breathing vapor or spray mist. Wear water-proof gloves while using or handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Wash the outside of gloves before removing.

User Safety Recommendations

- Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

First Aid

If swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

Received 5/5/11

If on skin:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.
If inhaled:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
<p>Have the product container or label with you when calling a poison control center or doctor or going for treatment. You also may contact 1-877-800-5556 for emergency medical treatment information.</p> <p>NOTE TO PHYSICIAN: This product contains petroleum distillates and may pose an aspiration pneumonia hazard.</p>	

Environmental Hazards

This product is toxic to fish. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters, or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid runoff to bodies of water or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may only be used in residential yards and gardens to treat the types of plants listed in the use table on this label. Keep other persons and pets out of treatment area while product is being applied. Do not enter or allow others to enter treated areas until sprays have dried.

This product is a refined miscible oil for winter control of certain insects. Apply in dormant period before buds open - late winter or early spring. Do not apply when spray will freeze to limbs as injury may result from the excess deposit. Remove all loose bark prior to spraying. Scales may be protected by these "shingles". Spray to wet all twigs, limbs, and the trunk. Measure dosage to be used carefully. Add to water, and mix thoroughly. Do not use mixture after standing without stirring.

SHADE TREES & SHRUBS: (Including conifers, deciduous varieties, evergreens & woody ornamentals.)	APPLICATION RATE	Hose-end sprayers; Dial settings, Oz.	TIME OF APPLICATION (Stage of Development)	USE PRECAUTIONS	Aids Control of: SCALE, INSECTS, & MITES
Apple, Pear, Peach, Cherry, Plum, Grapes	1/2 cup (4 fl.oz.) of product per 1 gal. of water	4 oz	Dormant		European red mite & eggs, clover mite & eggs, pear leaf blister mite, pear psylla, San Jose scale, lecanium scale, eggs of aphids, mealybugs, scruffy scale, pine needle scale, juniper scale, oyster shell scale, Forbes' scale, golden oak scale, terrapin scale, cottony maple scale & rose scale.
Oak, Elm, Willow, Basswood (Linden)	1/2 cup (4 fl.oz.) of product per 1 gal. of water	4 oz	Dormant	Do not use on maple, mountain ash, and beech.	
Lilac, Rose, Flowering Quince, Cotoneaster, Hawthorn	1 cup (8 fl.oz.) of product per 3 gals. of water	3 oz	Dormant		
Evergreen (needle-type): Fir, spruce, pine, yew, and arborvitae are quite sensitive to oils. Colorado blue spruce may be discolored. Be extremely careful not to overspray.	1 cup (8 fl.oz.) of product per 3 gals. of water	3 oz	Dormant	Do not exceed this dosage. Apply just before new spring growth starts. Do not use on broadleaf evergreens.	

HOSE END SPRAYERS:

For hose-end sprayers with dilution:

Measure the required amount of oil into the jar according to the number of gallons of spray to be used. Fill jar to proper mark with water. Stir until white cream emulsion forms. Attach to sprayer head and apply. Do not use after standing over a few minutes without re-mixing.

For hose-end sprayers without dilution:

- Use hose-end sprayers such as the Ortho® Dial-N-Spray® or the Gilmour® Dial-A-Mix® Sprayer. Do not add water to the sprayer jar.
- Set the dial to 3 oz. or 4 oz. as described.
- Spray to wet all foliage. Target the undersides of the leaves and try to penetrate dense foliage with the spray droplets.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Keep from freezing. Store in original container in a locked storage area inaccessible to children or pets.

CONTAINER DISPOSAL: If empty: Nonrefillable Container. Do not reuse or refill this container. Offer container for recycling, if available. If recycling is not available, place container in trash. **If partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

LIMITED WARRANTY AND DISCLAIMER

FOR USE ONLY AS DIRECTED. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE HEREBY EXPRESSLY DISCLAIMED. TO THE EXTENT CONSISTENT WITH

APPLICABLE LAW, IN NO CASE SHALL THE MANUFACTURER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, OR SPECIAL DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. If these terms are not acceptable, return this product unopened immediately to the point of purchase, and the purchase price will be refunded in full. The terms of this LIMITED WARRANTY AND DISCLAIMER cannot be varied by any written or verbal statements or agreements at the point of sale or elsewhere.
